In re SHORELINE ENERGY LLC, <i>et al.</i> , ¹ Debtors.	: : : : : : :	Chapter 11 Case No. 16-35571 (DRJ) (Joint Administration Requested)
---	---------------------------------	---

**DECLARATION OF DANIEL P. HURLEY
IN SUPPORT OF FIRST DAY PLEADINGS**

Daniel P. Hurley, being first duly sworn, deposes and states as follows:

1. I currently serve as the Chairman and Chief Executive Officer ("CEO") of Shoreline Energy LLC (together with the above-captioned debtors, the "Debtors" or "Shoreline"). I have served in this capacity since September 28, 2016. From 2006 until my appointment as CEO of Shoreline, I served as its President and Chief Operating Officer. During my employment with Shoreline I have become familiar with the Debtors' history, day-to-day operations, business and financial affairs, and books and records, as well as the Debtors' restructuring efforts. I have over 20 years of experience in the oil and gas industry, including serving 11 years as a geologist for Ocean Energy Inc. (formerly, Flores & Rucks) and three years as a geologist for Marlin Energy LLC.

2. I submit this Declaration in support of the eight Debtors' petitions for relief under chapter 11 of the Bankruptcy Code and the First Day Pleadings. Except as otherwise indicated, all statements set forth in this Declaration are based upon: (a) my personal

¹ The Debtors are the following eight entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Shoreline Energy LLC (2777); Shoreline Southeast LLC (0562); Shoreline Offshore LLC (2882); Harvest Development LLC (2703); Shoreline GP LLC (5184); Shoreline Central Corporation (1579); Shoreline Energy Partners, LP (5035); Shoreline EH LLC (6570). The address of each of the Debtors is 16801 Greenspoint Park Drive #380, Houston, Texas 77060.

knowledge; (b) information supplied to me by other members of the Debtors' management or the Debtors' professionals that I believe in good faith to be reliable; (c) my review of relevant documents; and/or (d) my opinion based upon my experience and knowledge of the Debtors' operations and financial condition. If called upon to testify, I could and would testify to the facts set forth in this Declaration. I am authorized by the Debtors to submit this Declaration.

3. On the date hereof (the "Petition Date"), each of the Debtors filed a voluntary petition with the Court for relief under chapter 11 of the Bankruptcy Code. To minimize the adverse effects of filing for chapter 11 protection and facilitate a prudent restructuring process that preserves value and enhances the Debtors' ability to successfully sell their assets as a going concern and confirm a corresponding chapter 11 plan, the Debtors have filed a number of pleadings requesting various kinds of "first day" relief (collectively, the "First Day Pleadings") concurrently with the filing of this declaration (this "Declaration"). I am familiar with the contents of each First Day Pleading (including the exhibits and other attachments to such motions) and, to the best of my knowledge, after reasonable inquiry, believe the relief sought in each First Day Pleading: (a) is necessary to enable the Debtors to operate in chapter 11 with minimal disruption; (b) is critical to the Debtors' efforts to preserve value and pursue a successful going concern sale of their assets; and (c) best serves the Debtors' estates and creditors' interests. Further, it is my belief that the relief sought in the First Day Pleadings is narrowly tailored and necessary to achieve the goals of these chapter 11 cases.

4. Section I of this Declaration provides an overview of the Debtors' corporate structure, business and prepetition indebtedness. Section II describes the circumstances surrounding the commencement of these chapter 11 cases. Section III sets forth relevant facts in support of the First Day Pleadings.

I.
THE DEBTORS' BUSINESS

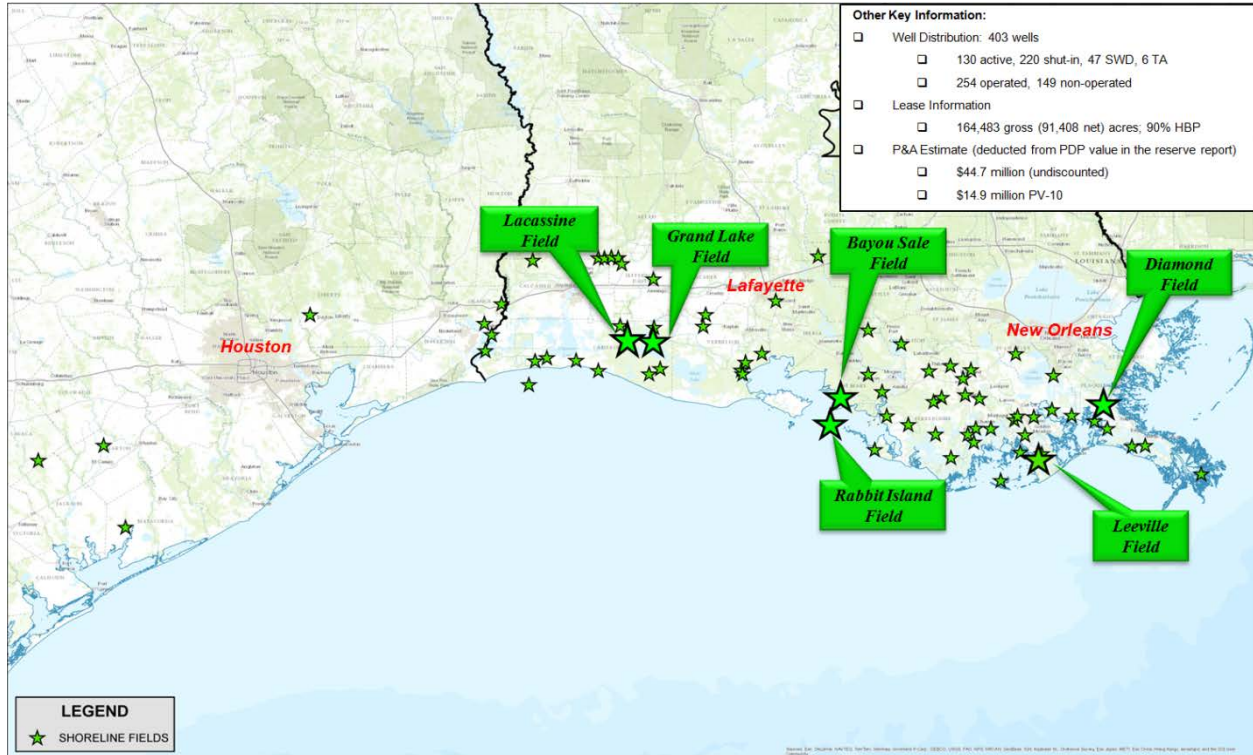

A. History

5. Shoreline is a privately owned oil and gas exploration and production company that was formed in 2006 by four colleagues who had worked together for a number of years at other oil and gas companies, including Ocean Energy Inc. and Marlin Energy LLC. The founders brought together different disciplines, including geology, land and finance, to the common goal of acquiring, exploring and developing oil and gas reserves in the Gulf of Mexico and Louisiana's gulf coast. This combination of talents allowed Shoreline to integrate subsurface geology with seismic data, and to utilize historical production data to determine the full scope of remaining reserves. As further described below, Shoreline (a) directly operates certain oil and gas properties along the coast of Louisiana and (b) owns interests in oil and gas properties in Louisiana and Texas through its wholly owned subsidiaries, Shoreline Southeast LLC and Shoreline Offshore LLC. The Debtors' corporate headquarters is located in Houston, Texas.

6. Currently, Shoreline owns approximately 164,483 gross lease acreage (91,408 net acres) in Louisiana and Texas. Shoreline owns interests in 403 oil, gas and related wells, and Shoreline has estimated proved reserves of approximately 26.7 million barrels of oil equivalents (MMBoe), comprised of 109 billion cubic feet (Bcf) of natural gas and 8.5 MMBo of oil and condensate.

7. Throughout their history, Shoreline has maintained mature fields and has established an excellent environmental and safety record. The locations of the Debtors' primary

operations are set forth below:

8. For the first three years of existence, Shoreline had no debt, and it devoted significant attention to evaluating potential acquisition opportunities. The initial capital to create Shoreline was approximately \$17 million, approximately 25% of which was contributed by the four founders, with the remaining portion contributed by high net worth individuals that were interested in getting into the exploration and production business. Shoreline's model was to acquire assets from companies that were more interested in pursuing unconventional shale opportunities and no longer focusing on their conventional assets along Louisiana's gulf coast. As a consequence, Shoreline was careful about acquisitions, and focused on acquiring mature fields with complex geology.

9. In 2009, a stabilization in commodity pricing provided Shoreline with promising investment opportunities, allowing Shoreline to begin making acquisitions. These acquisitions included an acquisition from Crimson Energy Partners IV, L.L.C. in 2009, which

included properties in Cameron, Jefferson, Davis and Calcasieu Parishes, as well as Shoreline's purchase of the Tullos field in LaSalle Parish, Louisiana in 2010. Between 2010 and 2012, Shoreline consummated an additional seven acquisitions from operators such as Rosetta Resources Inc., Marlin Energy LLC, Energy XXI Ltd. and Davis Petroleum Corp. Shoreline's acquisitions were financed primarily through traditional first lien reserve based loans, as well as equity contributions.

10. In early 2012, Shoreline estimated its proved reserve value to be approximately \$777 million.² At that time, Shoreline pursued a potential sale of its entire asset base. As a result of these efforts, Shoreline sold its interest in the Tullos field, and following the sale of the Tullos field, Shoreline had approximately \$40 million in debt and approximately \$40 million of accrued equity commitments, and Shoreline estimated its proved reserve value to be approximately \$381 million.³ No acceptable offers were made for Shoreline's gulf coast assets, and based upon this result, the management of Shoreline determined to seek additional strategic acquisitions to increase the value of the company.

11. In late 2012, Shoreline acquired certain gulf coast assets of XTO Energy Inc., which included fields in multiple parishes within Shoreline's current asset base. The acquisition doubled Shoreline's production and provided significant upside with mature properties. The XTO acquisition was funded through debt, bringing Shoreline's debt to \$146 million.

² 1P Pv10 Strip Pricing, \$338 million proved developed producing ("PDP"), \$147 million proved developed non-producing ("PDN") and \$292 million proved undeveloped reserves ("PUD").

³ 1P Pv10 Strip Pricing, \$179 million PDP, \$95 million PDN and \$107 million PUD.

12. In early 2013, Shoreline estimated its proved reserve value to be approximately \$676 million.⁴ At that time, Shoreline pursued a second sale process for its entire asset base. There was one bidder for \$385 million that was not able to close the transaction. Therefore, it was determined that Shoreline needed to continue to add strategic acquisitions with the intent to become large enough to either merge with a public entity or go public. As a consequence, Shoreline engaged in a significant acquisition from Manti Resources (the "Manti Acquisition"), for a purchase price of \$167.5 million, which was financed through the Second Lien Secured Indebtedness (as defined and described in more detail below). It was projected that the acquisition would increase Shoreline's production to nearly 9000 barrels of oil equivalent per day ("BOEPD").

13. Following the closing of the Manti Acquisition, however, Shoreline encountered various operational issues on the purchased assets which prevented the acquisition from realizing its projected benefits and production. For instance, a primary gas line was shut in for maintenance and a significant cash-generating well had a mechanical failure. The combination of these two events reduced Shoreline's production by 1500 BOEPD. This production drop put Shoreline in default under its then current loans and restricted its ability to drill new wells. Therefore, the management of Shoreline determined that they needed to pursue new capital to reduce debt and/or accelerate drilling.

14. In early 2014, Shoreline estimated its proved reserve value to be approximately \$735 million.⁵ At that time, Shoreline pursued new capital as well as explored multiple sale offers, including an unsolicited \$405 million offer for Shoreline's entire asset base and team. However, the unsolicited offer could not raise the funds to close. Instead, Shoreline

obtained an additional \$50 million of unsecured financing in the form of the Note Purchase Agreement (as defined and described in more detail below) and \$25 million in redeemable preferred stock.

15. In early 2015, Shoreline encountered an encouraging prospect in the Miogyp Sand, within the Lacassine field located in Cameron Louisiana (the "B-13 Well"). According to Shoreline's testing, the B-13 Well could produce in excess of 30 million cubic feet equivalent per day ("MMCFEPD"). Although the B-13 Well appeared successful, the company was unable to access the entire Miogyp section, and a second well (the "B-14 Well") was planned for mid-2015. The B-14 Well was anticipated to perform similarly to the B-13 Well, while accessing the entire Miogyp section.

16. In mid-2015, Shoreline's first lien lender group indicated they would like to be taken out of their position. In October 2015, and as further described below, Morgan Stanley replaced the lender group with an un-syndicated RBL which had an initial borrowing base of \$157 million. Shoreline ended 2015 with \$365 million in debt.

17. By early 2016, Shoreline's estimated proved reserve value had decreased to approximately \$240 million.⁶ At that time, Shoreline attempted to complete the B-14 Well. Unfortunately, the B-14 Well initially failed to produce, and Shoreline's attempts to stimulate the well were unsuccessful. Currently, the B-14 Well is shut-in until Shoreline has additional capital to recomplete the well to a different reservoir. Additionally, the B-13 Well has started making substantial amounts of water, and production decreased from a high of 30 MMCFEPD to approximately 1.6 MMCFEPD at the current time.

⁶ 1P Pv10 Strip Pricing, \$70 million PDP, \$95 million PDN and \$75 million PUD.

18. By mid-2016, Shoreline estimated its proved reserve value to be approximately \$234 million.⁷ Production continued to decline due to Shoreline's lack of capital to complete new drilling or perform workovers and recompletions of existing wells. In addition, Shoreline, along with over 100 other oil and gas companies, became involved in litigation with Cameron Parish and the State of Louisiana regarding alleged violations of the Coastal Zone Management Act of 1978. Litigation on this issue is ongoing.

19. As of the date hereof, Shoreline estimates its proved reserve value to be approximately \$197 million.⁸ In addition, production has temporarily stabilized at an average of approximately 3500 BOEPD.

20. Effective September 28, 2016, Frank D. Willoughby voluntarily resigned from his position as Chairman and CEO of Shoreline, and I currently serve in these capacities.

B. Corporate Structure

21. A corporate ownership chart depicting the ownership structure of the Debtors is attached hereto as Exhibit A. Shoreline EH LLC ("Shoreline EH") is a holding company that owns 100% of Shoreline Energy LLC ("Shoreline Energy"). The membership interests in Shoreline EH are as set forth in Exhibit B attached hereto. Shoreline Energy in turn directly or indirectly owns all of the other Debtors.

22. Shoreline EH was originally taxed as a pass through entity, but on September 12, 2016 the members of Shoreline EH unanimously elected to "check the box" to allow Shoreline EH to receive corporate tax treatment at the entity level.

⁷ 1P Pv10 Strip Pricing, \$64 million PDP, \$85 million PDN and \$85 million PUD.

⁸ 1P Pv10 Strip Pricing, \$43 million PDP, \$71 million PDN and \$83 million PUD.

C. Prepetition Indebtedness⁹

23. As of the Petition Date, the Debtors' primary liabilities consist of (a) first lien secured indebtedness in the form of a senior credit facility (the "Prepetition First Lien Facility"); (b) a second lien secured indebtedness in the form of a second lien facility; (c) unsecured debt in the form of a note purchase agreement; (d) royalty obligations; (e) trade debt; and (f) lease obligations. These liabilities are described in more detail below.

24. Prepetition First Lien Facility. Shoreline, as borrower, and the lenders party thereto from time to time (the "Prepetition First Lien Lenders") and Morgan Stanley Energy Capital Inc. ("Morgan Stanley"), as administrative agent (in such capacity, the "Prepetition First Lien Agent") are parties to that certain Third Amended and Restated Credit Agreement dated as of October 16, 2015 (as amended, the "Prepetition First Lien Credit Agreement"). All of the Debtors, with the exception of Shoreline EH, are guarantors under the Prepetition First Lien Credit Agreement.

25. The Prepetition First Lien Credit Agreement provides up to \$200 million of loans under a revolving basis, subject to a borrowing base, with an initial borrowing base of \$157,000,000. The Prepetition First Lien Credit Agreement is secured by a first lien on substantially all of the Debtors' assets. As of the Petition Date, there is no less than \$150,400,000 in aggregate principal amount outstanding under the Prepetition First Lien Credit Agreement (plus outstanding interest, fees, expenses and other amounts that would constitute obligations thereunder).

⁹ This summary is qualified in its entirety by reference to the operative documents, agreements, schedules, and exhibits.

26. While the Prepetition First Lien Credit Agreement is secured by a lien on substantially all of the Debtors' assets, the Debtors reviewed their books and records and have determined that a few of their leases may be unmortgaged as of the Petition Date.

27. Second Lien Secured Indebtedness. Shoreline, as borrower, and the lenders party thereto from time to time (the "Prepetition Second Lien Lenders") are parties to that certain Prepetition Second Lien Credit Agreement dated as of September 30, 2013 (as amended, the "Prepetition Second Lien Credit Agreement"). All of the other Debtors, with the exception of Shoreline EH, are guarantors under the Prepetition Second Lien Credit Agreement.

28. The Prepetition Second Lien Credit Agreement provides for \$180,000,000 of term loans. As of the Petition Date, there is approximately \$168,600,000 outstanding under the Prepetition Second Lien Credit Agreement. The Prepetition Second Lien Credit Agreement is secured by a second lien on substantially all of the Debtors' assets. The Debtors did not make their regularly scheduled interest or principal payments due at the end of the first three quarters of 2016.

29. Note Purchase Agreement. Shoreline EH, as issuer, and several purchasers from time to time thereto (the "Purchasers") and Sankaty Advisors, LLC as administrative agent (in such capacity, the "Note Agent"), are parties to a Note Purchase Agreement dated as of September 30, 2014 (as amended, the "Note Purchase Agreement"). The obligations under the Note Purchase Agreement are guaranteed by each of the Debtors other than Shoreline EH. As of the Petition Date, there is approximately \$71,400,000 outstanding under the Note Purchase Agreement. The obligations under the Note Purchase Agreement are unsecured.

30. Royalty Obligations. As of the Petition Date, the Debtors have approximately 2200 royalty owners in pay status, and owe approximately \$7.8 million in royalty

obligations. As of the Petition Date, the Debtors believe that they are current on their royalty payments.

31. Trade Debt. In the ordinary course of producing oil and gas from its properties, the Debtors have historically obtained goods and services from over 200 vendors. As of the Petition Date, the Debtors estimate that they owe approximately \$15 million to such vendors.

II. **RECENT FINANCIAL PERFORMANCE AND EVENTS LEADING TO THE COMMENCEMENT OF THE CHAPTER 11 CASES**

A. Industry Overview and Recent Performance.

32. Low commodity prices have caused broad-ranging distress in the oil and gas industry. West Texas Intermediate ("WTI") crude oil¹⁰ spot prices have fallen from a monthly high of approximately \$105 per barrel in June of 2014 to a recent approximately \$50 per barrel as of the Petition Date with a low price in the \$25 range in this period. Natural gas prices have also fallen significantly. The average natural gas price paid to the Debtors dropped from \$3.58 per Mcf during the fourth quarter of 2014 to approximately \$2.90 per Mcf as of the Petition Date with a low in the \$1.60 range in this period.

33. Independent exploration and production companies like Shoreline have been particularly hard hit because they rely primarily on sales of oil and gas to generate revenues. Like the industry as a whole, the Debtors' recent performance has been significantly impacted by the extreme and continuing decline in oil and natural gas prices. Revenues from oil and gas sales decreased from \$122,092,000 in 2014 to \$88,299,000 in 2015. Further, at the end of 2015 Shoreline had \$924,000 in cash compared to \$3,465,000 in 2014.

¹⁰ WTI crude oil is a grade of crude oil that is a key benchmark for oil pricing. It is the underlying commodity of the New York Mercantile Exchange's oil futures contracts.

B. The Debtors' Cost-Reduction Initiatives.

34. The Debtors have implemented various strategies to respond to fluctuations in commodity prices. Among other things, the Debtors have (a) continued to seek out ways to increase efficiency and reduce operational costs, (b) focused on their core areas and (c) sought to maintain balance and diversification in their product mix (oil and natural gas). In particular, lease operating expenses have been reduced by approximately \$1 million per month since December of 2014, in part through personnel reductions, the removal of compressors at various sites and vendor negotiations. However, the steep decline in crude oil and natural gas prices that began in 2014, as well as the disappointing production from the Manti Acquisition, has adversely affected the Debtors' liquidity and balance sheet to the point that a restructuring has become necessary.

C. The Debtors' Prepetition Lender Negotiations and Marketing Process.

35. In February 2016, the Debtors engaged Imperial Capital, LLC ("Imperial") as a financial advisor to assist with evaluating strategic solutions for the Debtors' liquidity issues. Upon being engaged, Imperial focused on understanding the Debtors' operations, reserves, history, cash needs and relationship with their lenders. Through Imperial, the Debtors reached out to Morgan Stanley in its capacity as lender under the Prepetition First Lien Credit Agreement. These discussions continued through the Petition Date and have culminated in the proposed DIP Financing (as discussed below).

36. Additionally, the Debtors and Morgan Stanley Capital Services LLC ("Capital Services"), an affiliate of Morgan Stanley, were also parties to certain oil and gas hedging agreements. On October 5, 2016, the Debtors and Capital Services agreed to liquidate the Debtors' hedge position, which resulted in a payment to the Debtors of approximately \$8,273,046 on account of hedges of crude oil, and a payment by the Debtors of approximately

\$374,346 on account of hedges of natural gas. As a consequence, the approximate net liquidation value of the hedges to the Debtors was \$7,898,700, which proceeds were collateral securing the Prepetition First Lien Credit Agreement. The Debtors retained \$2 million of the proceeds in advance of the bankruptcy filing, and the remaining proceeds were applied against the Debtors' obligations under the Prepetition First Lien Credit Agreement.

37. As well, the Debtors also engaged in discussions with the lenders under the Prepetition Second Lien Credit Agreement. In mid-April through May 2016, Imperial worked with the Debtors to negotiate a preliminary term sheet with Highbridge Capital Management, LLC ("Highbridge") and other second lien lenders which contemplated an investment of new capital, both with and without a potential merger with another oil and gas company. At the time, the preliminary term sheets contemplated a full reinstatement of Prepetition First Lien Credit Agreement and discounted recoveries to other constituents. However, by June 2016, due in part to changes in reserves, Highbridge was no longer willing to invest capital absent a significant write-down of the Prepetition First Lien Credit Agreement.

38. On the advice of Imperial, the Debtors initiated a broader marketing process for their assets in August 2016. The Debtors contacted over 140 parties, 20 of which signed non-disclosure agreements and received access to a data room. By late September 2016, the Debtors received four initial formal and informal proposals.

D. The Restructuring Support Agreement.

39. After extensive good faith negotiations with Morgan Stanley and Highbridge, on November 2, 2016 the Debtors finalized an agreement on the terms of a restructuring as set forth in the Restructuring Support Agreement (the "RSA"), a copy of which is attached hereto as Exhibit C. In accordance with the RSA, the Debtors, affiliates of Highbridge and the Prepetition First Lien Lenders have agreed on the basic terms of a sale

process (the "Sale Process") for substantially all of the assets of the Debtors and the terms of a chapter 11 plan of liquidation (the "Plan"), a summary of which is attached as an exhibit to the RSA. Among other things, the RSA provides that the Sale Process will provide for the sale of both core and non-core assets, and a partnership established by the HB Parent (as defined in the RSA) will directly or indirectly acquire the assets as a stalking horse for the core assets. Further, under the RSA (and subject to the terms thereof) the Debtors, affiliates of Highbridge, and the Prepetition First Lien Lenders agreed, among other things, to support the Sale Process and the Plan, and to abide by certain milestones regarding the Plan and administration of these chapter 11 cases. The milestones in the RSA are as follows:¹¹

- (a) no later than November 2, 2016, the Debtors shall commence the Chapter 11 Cases by filing bankruptcy petitions with the Bankruptcy Court (such filing date, the "Petition Date");
- (b) on the Petition Date, the Debtors shall file with the Bankruptcy Court a motion seeking entry of the Interim DIP Order and the Final DIP Order;
- (c) no later than November 4, 2016, the Bankruptcy Court shall have entered the Interim DIP Order;
- (d) no later than November 8, 2016, the Debtors shall file with the Bankruptcy Court a motion seeking to assume the RSA (the "RSA Assumption Motion");
- (e) no later than November 18, 2016, the Debtors shall file with the Bankruptcy Court: (i) a motion (the "Sale Motion") seeking entry of the Designated Assets Sale Order, and (ii) a motion seeking entry of the Bid Procedures and the Bid Procedures Order (the "Bid Procedures Motion");
- (f) no later than December 1, 2016, the Debtors shall file with the Bankruptcy Court: (i) the Plan; (ii) the Disclosure Statement; (iii) a motion (the "Disclosure Statement and Solicitation Motion") seeking, among other things, (A) approval of the Disclosure Statement, (B) approval of procedures for soliciting, receiving, and tabulating votes on the Plan and for filing objections to the Plan, and (C) to schedule the hearing to consider confirmation of the Plan (the "Confirmation Hearing");

¹¹ Capitalized terms used in this section and not otherwise defined shall have the meanings set forth in the RSA. In the event of any conflict between this summary and the terms of the RSA, the terms of the RSA govern.

- (g) no later than December 2, 2016, the Bankruptcy Court shall have entered (i) the Final DIP Order and (ii) the RSA Assumption Order;
- (h) no later than December 13, 2016, the Bankruptcy Court shall have entered the Bid Procedures Order;
- (i) the deadline for third parties to submit higher and better cash offers for all or substantially all of the Debtors' assets, shall be no later than January 27, 2016 (the "Bid Deadline"), and any auction, if required, shall be held no later than February 1, 2016;
- (j) no later than January 6, 2016, (i) the Bankruptcy Court shall have entered an order approving the Disclosure Statement and the relief requested in the Disclosure Statement and Solicitation Motion; and (ii) no later than five (5) business days after entry of the order approving the Disclosure Statement and Solicitation Motion, the Debtors shall have commenced solicitation on the Plan by mailing the Solicitation Materials to parties eligible to vote on the Plan;
- (k) no later than February 8, 2017, the Bankruptcy Court shall have commenced the Confirmation Hearing and the hearing to consider entry of the Designated Assets Sale Order;

- (m) no later than February 10, 2017, the Bankruptcy Court shall have entered the Confirmation Order;
- (n) no later than February 17, 2017, the Debtors shall consummate the transactions contemplated by the Plan (the date of such consummation, the "Effective Date"), it being understood that the satisfaction of the conditions precedent to the Effective Date (as set forth in the Plan and the Term Sheet) shall be conditions precedent to the occurrence of the Effective Date; and
- (o) no later than February 17, 2017, the Debtors shall consummate the transactions contemplated by the APA (the date of such consummation, the "Sale Closing Date"), it being understood that the satisfaction of the conditions precedent in the APA shall be conditions precedent to the occurrence of the Sale Closing Date.

E. Debtor in Possession Financing.

40. Morgan Stanley Capital Group, Inc. (in such capacity, the "DIP Lender") agreed to provide a \$50 million debtor in possession financing facility (the "DIP Facility"), which includes a \$32 million roll up of the amounts owed under the Prepetition First Lien Credit Agreement. The DIP Facility provides the Debtors with the liquidity they need to fund their

operations and the costs of these cases through emergence, which is anticipated to occur in the first quarter of 2017. In particular, and as further described below, the milestones of the RSA, which will become an event of default upon entry of the final order approving the DIP Facility, provide the Debtors with the flexibility necessary to develop and implement a dual-track Sale Process and Plan confirmation. The Debtors, along with their advisors, have determined that a financing proposal by the DIP Lender provides the Debtors with the best opportunity to continue operations and maximize value for all stakeholders. I will discuss the DIP Facility in more detail in the section that follows on first day pleadings.

III. FIRST DAY PLEADINGS

41. Concurrently with the filing of these chapter 11 cases, the Debtors filed the First Day Pleadings requesting various forms of relief. The Debtors narrowly tailored the First Day Pleadings to enable the Debtors to meet their goals of: (a) continuing their operations in chapter 11 with as little disruption as possible; (b) maintaining the confidence and support of their employees, vendors, and service providers during these chapter 11 cases; and (c) establishing procedures for the smooth and efficient administration of these chapter 11 cases.

42. Given the importance of the relief sought in the First Day Pleadings to the Debtors' ability to maintain their operations and preserve value as they pursue an expeditious restructuring, the Debtors will move for entry of an order scheduling an expedited hearing on the First Day Pleadings. The Debtors anticipate that the Court will conduct a hearing soon after the commencement of their chapter 11 cases (the "First Day Hearing") at which the Court will hear

and consider certain First Day Pleadings. Those First Day Pleadings that the Debtors anticipate will be heard at the First Day Hearing are described below.¹²

43. I have reviewed each of the First Day Pleadings filed contemporaneously herewith. To the best of my knowledge, I believe that the facts set forth in the First Day Pleadings are true and correct. If I were called upon to testify, I could and would, based on the foregoing, testify competently to the facts set forth in each of the First Day Pleadings.

44. Further, as a result of my personal knowledge, information supplied to me by other members of the Debtors' management, my review of relevant documents, or upon my opinion based upon my experience, discussions with the Debtors' advisors, and knowledge of the Debtors' operations and financial condition, I believe the relief sought in the First Day Pleadings is necessary for the Debtors to effectuate a smooth transition into chapter 11, is necessary to avoid irreparable harm to their business and estates and will maximize value and recoveries for the benefit of the Debtors' creditors.

45. It is my further belief that, with respect to those First Day Pleadings requesting authority to pay discrete prepetition claims or continue selected prepetition programs (e.g., those First Day Pleadings seeking relief related to the Debtors' obligations to their employees, taxing authorities, potential lien claimants, royalty holders and insurers), the relief requested is essential to the Debtors' operations and necessary to avoid immediate and irreparable harm to the Debtors, their estates, employees, creditors, and other parties-in-interest. Specifically, the success of these cases depends in large part on the continuing operation of the Debtors' business in as normal course as possible. Impairment of the Debtors' operations at the

¹² Capitalized terms used below in the descriptions of the First Day Pleadings and not otherwise defined have the meanings given to them in the applicable First Day Pleadings.

early stages of these cases would imperil the Debtors' ability to successfully and expeditiously sell their assets as a going concern and potentially damage the value of the Debtors' estates.

46. I respectfully request that all the relief requested in the First Day Pleadings, and such other further relief as may be just and proper, be granted.

A. Debtor in Possession Financing.

47. The Debtors' business is cash intensive, with significant daily costs to produce oil and gas, satisfy obligations to employees, maintain the safety of their operations and fulfill environmental and other regulatory requirements. As such, the Debtors require immediate access to postpetition financing and the use of Cash Collateral to operate their businesses, preserve value and pursue their restructuring goals. The Debtors, in consultation with Imperial, have reviewed and analyzed the Debtors projected cash needs and have prepared a budget (as updated from time to time in accordance with the DIP Credit Agreement the "Budget") outlining the Debtors' postpetition cash needs during the anticipated length of these cases. The Debtors believe that the Budget is an accurate reflection of their funding requirements over the identified period, will allow them to meet their obligations, and is reasonable and appropriate under the circumstances.

48. Immediate and ongoing access to funding under the DIP Facility will demonstrate to employees, vendors, suppliers, purchasers and other key constituencies that the Debtors have sufficient resources available to meet their obligations in the ordinary course during these cases. Absent funds available under the DIP Financing, access to Cash Collateral and the cooperation of key business partners at this critical early stage, the Debtors could (a) face a devastating interruption in their businesses; (b) risk regulatory and environmental noncompliance, which could adversely impact their ability to obtain or maintain permits and licenses critical to operations; (c) undermine the support of important groups on whom the

Debtors' businesses and restructuring depend, which, in turn, would hinder their ability to maximize the value of their estates; and (d) be forced to modify their operations in a significant and adverse manner, which the Debtors believe could hamper their ability to maximize the value of their estates.

49. The proposed DIP Facility is a postpetition revolving credit facility in the aggregate principal amount of up to \$50 million, \$5 million of which will be available on an interim basis. Of the \$50 million available for borrowing, \$32 million must be borrowed to permanently repay \$32 million of the outstanding prepetition first lien obligations.

50. The DIP Credit Agreement incorporates the milestones outlined above from the RSA, and a failure to meet such milestones constitutes an event of default under the DIP Credit Agreement (following the entry of a final order). I believe that these milestones set forth in the RSA and incorporated into the DIP Credit Agreement are reasonable and achievable under the circumstances, and provide the Debtors with sufficient flexibility to implement their Sale Process and confirm the Plan.

51. The DIP Facility was preceded by a competitive marketing process designed to secure postpetition financing on the best available terms. The Debtors extensively researched alternative sources of postpetition financing, reaching out to over 140 parties. While the Debtors received proposals from a handful of interested parties, the proposal submitted by the DIP Lenders was the most advantageous and provided the most favorable economics and terms. The DIP Facility was the product of an extensive arm's-length negotiation with the DIP Lenders, and no competing proposal provided the Debtors with a similarly beneficial set of comprehensive terms.

52. It is essential that the Debtors immediately obtain the proposed financing, which is necessary to preserve and protect the value of their estates. As I noted above, the decline in oil and natural gas prices has adversely affected the Debtors' liquidity. The liquidity provided by the DIP Facility, is necessary to, among other things, ensure that the Debtors are able to meet their obligations, including payroll obligations, as they come due and avoid disruption to their operations. In addition, the Debtors do not have sufficient working capital, financing or cash collateral to continue the operation of their business without immediate, additional financing. Accordingly, the DIP Facility is necessary to ensure that the Debtors are able to maintain their business, and thus maximize the value of their estates, pending confirmation of a plan.

53. Finally, I also believe that the Budget is achievable, reasonable under the circumstances, and will allow the Debtors to operate in chapter 11 without the accrual of unpaid liabilities. Furthermore, I believe that the Budget will be adequate, considering all available assets, to pay all administrative expenses due or accruing during the period covered by the DIP Facility and the Budget.

B. Filing Consolidated Lists of Creditors and Related Relief.

54. Given the affiliated nature of the Debtors, the fact that they share a number of creditors in common and the manner in which the Debtors keep their records in the ordinary course, the Debtors are seeking a waiver of the requirement that each debtor file a list of creditors containing the name and address of each entity included or to be included on a debtor's schedules of liabilities and request that they be permitted to maintain a single, consolidated list of creditors. Requiring the Debtors to segregate and convert their computerized records to provide eight separate Debtor-specific creditor matrices would be an unnecessarily burdensome task and would result in duplicate mailings.

C. Employee Wages and Benefits.

55. As of the Petition Date, the Debtors have 22 full-time employees. Many of the employees are owed or have accrued various sums as of the Petition Date. To minimize the personal hardship that employees will suffer if prepetition employee-related obligations are not paid when due and to maintain the employees' morale as the Debtors pursue the successful sale their business as a going concern, the Debtors are seeking authority to pay and/or perform, as applicable, employee-related obligations, including the following: (a) prepetition wages, salaries, bonuses, sick pay, vacation pay, payroll taxes and other accrued compensation; (b) unreimbursed or unpaid, as applicable, prepetition employee expenses; (c) amounts deducted from employee paychecks on behalf of the employees for or with respect to, among other things, the Debtors' employee benefit programs, amounts due third parties and on account of various federal, state or local income, FICA, Medicare, state disability, workers' compensation, and other taxes to the appropriate parties; (d) prepetition contributions to, and benefits under, employee benefit plans; (e) obligations accrued with respect to the prepetition services of certain independent contractors and consultants; and (f) all costs and expenses incident to the foregoing payments and contributions, including related processing and administration costs.

56. In addition to their regular workforce, the Debtors utilize the services of 16 independent contractors (the "Independent Contractors") pursuant to formal and informal arrangements. The Independent Contractors provide assistance in the areas of accounting, reception, land, geology and engineering, and each of the Independent Contractors spends significant time on site at the Debtors' offices in Lafayette, Louisiana or Houston, Texas. The Independent Contractors have developed a specialized knowledge of the Debtors' operations, and the Debtors' business would be significantly impacted if the Independent Contractors ceased providing services. In addition, while the Independent Contractors are not directly on the

Debtors' payroll, the types of services provided is akin to the types of services provided in-house by many of the Debtors' competitors. The services provided by the Independent Contractors are vital to the efficient operation of the Debtors' business.

57. The uninterrupted payment of the Debtors' employees and Independent Contractors is essential to the continued operations of the Debtors. Maintaining the goodwill of the Debtors' employees and ensuring the uninterrupted availability of their services will protect the going concern value of the estates and maximize the value ultimately available to creditors by (a) assisting the Debtors in maintaining the necessary "business as usual" atmosphere and (b) preserving the smooth operation of the business.

58. It is likewise critical that the Debtors maintain the services of the Independent Contractors who provide a variety of important services for the Debtors. Any delay in payments to the Independent Contractors could cause the Debtors to lose the benefit of necessary services and guidance, which would significantly disrupt and impair certain aspects of the Debtors' operations.

59. Furthermore, any harm resulting from the Debtors' failure to obtain the relief requested herein would not be limited to the Debtors' estates. Because the amounts represented by prepetition compensation and benefits are needed to enable the Debtors' employees and Independent Contractors to meet their own personal obligations, they would suffer undue hardship and, in many instances, serious financial difficulties if the relief requested herein is not granted.

D. Taxes.

60. The Debtors, in the ordinary course of their business, incur various tax liabilities, including, among others, property taxes, franchise taxes, business license and environmental fees and annual report taxes (collectively, the "Prepetition Taxes") owed to certain

taxing authorities (the "Taxing Authorities"). Prior to the Petition Date, the Debtors generally paid their tax obligations as they became due.

61. The Debtors are seeking the entry of an order allowing them to pay the Prepetition Taxes to the Taxing Authorities, including all Prepetition Taxes subsequently determined upon audit to be owed for periods prior to the Petition Date. The Debtors have ample business justification to pay the Prepetition Taxes because it is my understanding that:

(a) certain of the Prepetition Taxes would be priority claims under the Bankruptcy Code that would be paid in full under a chapter 11 plan; (b) certain of the Prepetition Taxes may not constitute property of the Debtors' chapter 11 estates; (c) the Debtors are required to pay the Prepetition Taxes to maintain their good standing in the jurisdictions in which they do business; (d) a failure to pay certain of the Prepetition Taxes could give rise to liens on certain of the Debtors' real and personal property; and (e) the Debtors' directors and officers may face personal liability if certain of the Prepetition Taxes are not paid. Therefore, to prevent immediate and irreparable harm to the Debtors' operations that would result from such disruptions and distractions, the Debtors are seeking authority to pay the Prepetition Taxes, including any amounts that may be found to be owing following any audits, as they become due in the ordinary course.

E. Royalties, Withholding Taxes, Severance Taxes and Delay Rentals.

62. For the reasons stated below, the Debtors are seeking authority to, among other things, pay any prepetition amounts due with respect to certain oil and gas interests. The Debtors own a working interest in almost 3,000 oil and gas leases (the "Leases") in Texas and Louisiana. There are approximately 400 wells on the Leases (the "Wells"), and the Debtors operate approximately 75% of these Wells. Of the Wells that the Debtors operate, approximately

130 are producing. The Debtors are parties to multiple joint operating agreements ("JOAs") governing the operation of the Wells.

63. The Debtors' Leases are generally subject to or burdened by one or more of: Royalty Interests, overriding royalty interests ("ORRI"), non-participating royalty interests ("NPRI"), net profits interests ("NPI") and third party Working Interests (collectively with Royalty Interests, ORRI, NPRI and NPI, the "Interests"). Failure to make payments on account of the Interests would have a material adverse effect upon the Debtors and their operations, including, without limitation, potential cancellation, forfeiture, or termination of the Leases, penalties and interest, turnover actions, conversion claims, significant lien claims, constructive trust claims, litigation, and, in some instances, removal as operator.

64. The Debtors are required to pay taxes imposed on the removal of nonrenewable resources such as crude oil and natural gas (the "Severance Taxes") to certain taxing authorities each month. Failure to pay the Severance Taxes when due could result in penalties, liens to secure payment of outstanding Severance Taxes and disruption of the Debtors' operations.

65. The Debtors may also choose to make rental payments during the term of certain Leases (the "Delay Rentals"). Payment of the Delay Rentals postpones the Debtors' obligation for initial exploration and development of a Lease for the entire period for which they are paid. Thus, if the Delay Rentals are paid on or before the anniversary date for each year during the primary term of each Lease, each Lease will be maintained in full force and effect and the Debtors will not be required to engage in exploration and development. In one instance, the Debtors have entered into an agreement with the City of New Orleans, Trustee of the Edward Wisner Foundation to pay certain Delay Rentals, originally due on June 1, 2016, over a period of

three years in the total amount of \$471,121.00 (the "CNO Delay Rentals"). The payments were to be paid in three installments of \$157,040.34, the first of which was paid September 1, 2016. The second and third payments of \$157,040.34 are due on June 1, 2017 and June 1, 2018, respectively. If the Delay Rentals, including the CNO Delay Rentals, are not paid and the Debtors do not engage in initial exploration and development, the Lease will terminate. Accordingly, failure to pay the Delay Rentals could similarly have a material adverse effect upon the Debtors and their operations, including, inter alia, the loss of the underlying Lease.

F. Potential Lien Claimants, Joint-Interest Billings, GPT Expenses and Shipping and Warehousing Claims.¹³

66. The Debtors hold working interests in various oil and gas leases, which entitle them to the exclusive right to extract the hydrocarbons in the ground, but require that they bear the cost of exploration, development and operation of the property. In certain instances, the Debtors are joint-interest holders with other working interest holders on a particular oil and gas lease. In such cases, a joint operating agreement governs the relationship among joint-interest holders and provides the terms under which revenues and costs will be split. The joint operating agreement typically designates a particular working interest owner as the "operator," who is responsible for the operation and control of the well and initially covers expenses that are later reimbursed by other working interest owners pursuant to the terms of the joint operating agreement.

67. The Debtors serve as the operator of nearly all of the wells that they have an interest in. Accordingly, in the ordinary course of business, the Debtors pay significant expenses related to the day-to-day costs of the exploration, drilling and production of oil and gas

¹³ The Debtors are not seeking to have this motion heard on an emergency basis; instead, the Debtors seek to have this motion heard on regular notice.

from properties they operate.¹⁴ A significant portion of these expenses are payments to third parties (the "Mineral Lien Claimants") that perform labor or furnish or transport materials, equipment or supplies in the "oil patch" — i.e. in connection with drilling, producing, repairing, operating or maintaining the Debtors' oil and gas wells. The Mineral Lien Claimants could potentially assert statutory and contractual liens against the Debtors' property (or even property of other third parties with working interests under operating agreements) to secure payment for prepetition goods and services provided to the Debtors. Given the nature of the Debtors' business, nearly all of their vendors are Mineral Lien Claimants, and in certain circumstances, the liens of Mineral Lien Claimants may prime the liens of other secured creditors.

68. The Mineral Lien Claimants provide services that are essential to the Debtors' daily operations. Further, the work being performed by the Mineral Lien Claimants is, in many instances, technical and requires specialized expertise that only a limited number of service providers may have. Absent payment, the Debtors may have no alternative service providers, or no service providers that will be able to perform the required services in a reasonable time period.

69. Although the Debtors operate the vast majority of wells in which they own an interest, there are certain instances in which the Debtors hold non-operating working interests in wells under various joint operating agreements. In such instances, the Debtors receive payment representing their share of production revenues. The Debtors receive revenue receipts from the operators and directly from the purchasers and then reimburse the operators for their share of the production costs through payment of joint-interest billings ("JIBs"). Rights to

¹⁴ A certain portion of these operating costs may be reimbursable by other working interest owners. Even so, an operator is responsible for paying such expenses when due irrespective of the timing of any reimbursement payments.

payment of JIBs are often secured under contractual lien rights or statutory lien rights in favor of the operator against the Debtors' interest in the well.

70. In their role as operator, the Debtors also occasionally utilize the services of certain vendors to transport or deliver goods, materials or other property used in the daily operation of their business (the "Shippers"). Such materials are frequently integral to the exploration and production of oil and gas and include drilling pipe, casing and wellheads. Accordingly, the Shippers often have possession of materials belonging to the Debtors that are vital to their business operations. Additionally, the Debtors rely on vendors in the ordinary course of their business to store materials when not in use (the "Warehousemen").

71. If the Debtors fail to pay the claims (collectively, the "Potential Lien Claims") of the Mineral Lien Claimants, Shippers, Warehouseman or on account of the JIBs (collectively, the "Potential Lien Claimants"), the Debtors believe that many of the Potential Lien Claimants may stop providing essential services to the Debtors. Delays in receiving essential services and products would cause major disruptions to the Debtors' operations and undermine the Debtors' restructuring efforts. In addition, if the Debtors do not timely pay the Potential Lien Claimants, the Debtors believe that the Lien Claimants may be able to assert possessory or statutory liens, or administrative expense claims.

72. In an effort to ensure that payment (each, a "Lien Claimant Payment") of any portion of the Potential Lien Claims provides the Debtors with a benefit to their estates, the Debtors may require the recipient of a Lien Claimant Payment to execute an agreement (a "Trade Agreement") whereby a Potential Lien Claimant agrees to: (a) the continuance of the parties' existing business relationship; (b) other business terms on a postpetition basis, including the pricing of goods and services, the provision of equivalent levels of service and the timing of

payment, on terms at least as favorable as those extended in the normal course prior to the Petition Date, or on such other terms that are acceptable to the Debtors; and (c) the release to the Debtors of goods or other assets owned by the Debtors in the Potential Lien Claimant's possession, if any (collectively, the "Trade Terms"). The Trade Terms would be applicable throughout the pendency of the Debtors' chapter 11 cases.

73. If a Potential Lien Claimant that has executed a Trade Agreement accepts a Lien Claimant Payment and fails to provide the Debtors with the requisite Trade Terms specified therein, then (a) any Lien Claimant Payment received by the Potential Lien Claimant may be deemed by the Debtors an unauthorized postpetition transfer under section 549 of the Bankruptcy Code that the Debtors may, at the Debtors' option, (i) seek to recover from the Potential Lien Claimant in cash or (ii) apply against any outstanding administrative claim held by such Potential Lien Claimant; and (b) upon recovery of any Lien Claimant Payment, the corresponding prepetition claim of the Potential Lien Claimant will be reinstated in the amount recovered by the Debtors.

74. The Debtors are also obligated under various agreements to market oil and gas production to potential purchasers. In connection with such marketing obligations, the Debtors are responsible for, among other things, the costs associated with gathering, transporting, processing, and other services related to the storage and sale of hydrocarbons produced on the Debtors' leases (the "GPT Expenses"). In some circumstances, the Debtors pay the GPT Expenses from funds otherwise belonging to working interest owners, and the Debtors' failure to forward all required amounts could have a material adverse effect upon the Debtors, including, without limitation, penalties and interest, turnover actions, conversion and constructive trust claims, assertion of significant secured claims against property of the estate,

litigation, and, in some instances, removal as operator.

75. In other circumstances, the Debtors have entered into netting agreements (the "Netting Arrangements") where purchasers of the Debtors' oil and gas (the "Counterparties") deduct the GPT Expenses on the Debtors' behalf.¹⁵ Once the Counterparties or other third parties sell marketed production subject to the Netting Arrangements, the Counterparties net the GPT Expenses before remitting the balance of the sale proceeds to the Debtors. The GPT Expenses are fully secured by the Counterparties' set off rights under the Netting Arrangements, but the Debtors are concerned that some Counterparties may choose to withhold payments under the Netting Arrangements in an attempt to preserve their setoff or recoupment rights following commencement of the Debtors' bankruptcy cases. In order to avoid any disruption in the payment from their production, the Debtors seek to clarify that the Counterparties may continue to perform under the Netting Arrangements in the ordinary course of business.

76. As a result of the foregoing, the Debtors are seeking the entry of an order authorizing them to pay the undisputed prepetition amounts owed by the Debtors on account of Potential Lien Claims and the GPT Expenses and clarifying that the Counterparties may continue to perform under the Netting Arrangements in the ordinary course of business.

G. Insurance.

77. In the ordinary course of their business, the Debtors maintain various insurance policies (the "Insurance Policies"). Maintenance of insurance coverage under the various Insurance Policies is essential to the operation of the Debtors' business and is required under the U.S. Trustee's Operating Guidelines for Chapter 11 Cases, the laws of the states in which the Debtors operate and the Debtors' financial agreements. In connection with the

¹⁵ In limited circumstances, Counterparties may also remit certain of the Debtors' severance tax obligations, which are also netted against payments to the Debtors.

Insurance Policies, the Debtors utilize the services of third-party service providers, including brokers and insurance finance service providers. Certain of the Debtors' insurers and insurance finance providers are owed amounts as of the Petition Date. Failure to pay such amounts could result in loss of services and lapses in coverage and impact the Debtors' ability to renew coverage.

78. Accordingly, the Debtors are seeking authority to (a) continue their Insurance Policies on an uninterrupted basis and to renew their Insurance Policies or obtain replacement coverage as needed, in the ordinary course of business, (b) pay, in their sole discretion all undisputed premiums, claims, deductibles, fees and other obligations relating to the Insurance Policies, as applicable, that relate to the period before or after the Petition Date and are due and payable, and (c) liquidate in an appropriate forum or settle such Insurance Obligations as necessary.

H. Utilities.

79. The Debtors utilize various utility services provided by numerous utility companies (collectively, the "Utility Providers"). Because the Utility Providers provide essential services to the Debtors with respect to their operations, an interruption in utility services would likely prove disruptive and could jeopardize the Debtors' operations and restructuring efforts.

80. The Debtors have proposed procedures that ensure that the Debtors will maintain continuous and uninterrupted utility services and also protect the rights of Utility Providers. The Debtors intend to pay all obligations owed to Utility Providers in a timely manner, and I believe that the Debtors have, or will continue to have, sufficient funds from operations and their proposed postpetition financing to satisfy such obligations.

I. Cash Management.

81. The Company utilizes an integrated, centralized cash management system (the "Cash Management System") to collect, manage, invest, and disburse funds throughout the Company. The Cash Management System involves a total of six bank accounts. The Debtors maintain current and accurate accounting of all of the Debtors' transactions through the Cash Management System. The Cash Management System includes the necessary accounting controls to enable the Debtors, as well as creditors and the Court, to trace funds through the system and ensure that all transactions are adequately documented and readily ascertainable.

82. In connection with its Cash Management System and the Company's overall operations, the Company established various banking and business practices, including use of numerous business forms. These practices are tailored to the Company's day-to-day and longer-term needs and, as such, were specifically designed and implemented for the Company. As a result, the Debtors seek authority to continue use of the Cash Management System and the use of prepetition business forms.

83. Historically, the Debtors pay any royalties, working interest payments, and other party funds through a bank account held by Debtor Shoreline Southeast LLC. Pursuant to the Complex Chapter 11 Guidelines, the Debtors seek authority to open an additional bank account with Whitney Bank, which will be used in the ordinary course of business to hold and disburse funds received prepetition that are held in suspense and postpetition that are attributable to a royalty, overriding royalty, working interest owner, or third party, including amounts in suspense.

84. Finally, in the ordinary course of business, the Company conducts certain transactions that are treated as extensions of intercompany credit. Under the Cash Management System, funds generated through business operations of each participating Debtor typically flow

directly into a bank account controlled by the same Debtor. As individual Debtors require funds to meet current obligations, however, cash is occasionally transferred among different bank accounts. The continuation of these transactions is in the best interests of the Debtors' estates and creditors, as it will allow the Debtors to conduct business as usual without disruption or delay. The Debtors will account for all of their postpetition intercompany transactions and request that such transactions be afforded administrative priority status to ensure that each individual Debtor will not, at the expense of its creditors, fund the operations of another entity.

CONCLUSION

85. For all the reasons described herein and in the First Day Pleadings, I respectfully request that the Court grant the relief requested in each of the First Day Pleadings.

Following the commencement of the Chapter 11 Cases and unless and until there is an unstayed order of the Bankruptcy Court providing that the giving of notice under and/or termination of this Agreement in accordance with its terms is not prohibited by the automatic stay imposed by section 362 of the Bankruptcy Code, the occurrence of any of the Termination Events in this Section 7 shall result in an automatic termination of this Agreement, to the extent the Restructuring Support Parties would otherwise have the ability to terminate this Agreement in accordance with this Section 7, five (5) business days following such occurrence unless waived in writing by the Restructuring Support Parties.

8. **The Debtors' Termination Events.** Each Debtor may, upon notice to the Restructuring Support Parties, and subject to the terms of Section 10, terminate its obligations under this Agreement upon the occurrence of any of the following events (each a "***Debtor Termination Event***," and together with the Restructuring Support Party Termination Events, the "***Termination Events***"), in which case this Agreement shall terminate with respect to all Parties, subject to the rights of the Debtors to fully or conditionally waive, in writing, on a prospective or retroactive basis, the occurrence of a Debtor Termination Event:

11. **Cooperation and Support.** The Debtors will attempt in good faith to provide draft copies of all material pleadings any Debtor intends to file with the Bankruptcy Court to counsel to the Restructuring Support Parties at least two (2) business days prior to filing such pleading to the extent practicable. 13. **Further Acquisition of Claims or Interests.** Except as set forth in Section 12, nothing in this Agreement shall be construed as precluding any Restructuring Support Party from acquiring additional interests in or claims against the Debtors; *provided, however*, that any additional claims against, or interests in the Debtors acquired by any Restructuring Support Party and with respect to which such Restructuring Support Party is the legal owner, beneficial owner, and/or investment advisor or manager of or with power and/or authority to bind any claims or interests held by it shall automatically be subject to the terms and conditions of this Agreement.

17. **Survival of Agreement.** (a) Each of the Parties acknowledges and agrees that this Agreement is being executed in connection with negotiations concerning a possible restructuring of the Debtors and sale of assets and in contemplation of possible chapter 11 filings by the Debtors and the rights granted in this Agreement are enforceable by each signatory hereto without approval of any court, including the Bankruptcy Court.

(b) Notwithstanding anything to the contrary in this Agreement, and its attachments and schedules including the Term Sheets, but subject to the following proviso, the agreement of the Restructuring Support Parties to pursue and consummate the transactions contemplated in the APA and the Acquisition Term Sheet based upon the agreed upon resulting capital structure of the Purchaser (as described in the Acquisition Term Sheet), by any commercially reasonable means including the Plan, the Designated Assets Sale Order, or a subsequent enforcement of rights and remedies (including foreclosure), shall survive any failure of the Debtors to assume this Agreement or any termination of this Agreement unless otherwise agreed to in writing by the Restructuring Support Parties, and the Restructuring Support Parties agree to cooperate and take commercially reasonable steps to effectuate and consummate such transactions by such means, including the credit bidding of up to the full amount of such of the claims under the DIP Credit Agreement and First Lien Credit Agreement, in the event any other higher and better bids are received by the Debtors that could result in an Alternative Transaction (the “***Surviving Obligations***”); *provided that*, the foregoing Surviving Obligations of the Restructuring Support Parties shall terminate and no longer be binding on any party (i) after May 15, 2017, (ii) at the election of the First Lien Lenders, and only after the credit bidding of the full amount the claims under the DIP Credit Agreement and First Lien Credit Agreement (unless HB Parent consents in writing otherwise), if this Agreement was terminated pursuant to Subsection 7(e) and such Alternative Transaction is consummated within 60 days of the Bankruptcy Court entering an order approving same or the date of termination if earlier, during which 60 day period the First Lien Lenders may cooperate to consummate such Alternative Transaction, or Subsection 8(a), (iii) if this Agreement was terminated pursuant to Subsection 7(b) as a result of a conversion or dismissal approved over the objection of the First Lien Lenders that has been prosecuted in good faith by the First Lien Lenders, or (iv) if this Agreement was terminated pursuant to Subsections 7(t) or 7(u) so long as such Restructuring Support Party Termination Event is not a result of any breach of this Agreement by the party seeking to terminate the Surviving Obligations pursuant to this clause (iv); *provided further* if the Surviving Obligations are terminated under the preceding clause (ii), or clause (iii) as a result of a conversion of the Chapter 11 Cases to Chapter 7 cases, provided that HB Parent and the Purchaser shall not have filed a motion to convert the Chapter 11 Cases, or supported any such motion, any proceeds or consideration received by the First Lien Lenders (or any entity designated by the First Lien Lenders) from the consummation of an Alternative Transaction, and only after the credit bidding of the full amount the claims under the DIP Credit Agreement and First Lien Credit Agreement, whether in the Chapter 11 Cases or, if applicable, any Chapter 7 cases of the Debtors, shall be allocated as between the First Lien Lenders and the Purchaser as follows:

19. **Relationship Among Parties.** Notwithstanding anything herein to the contrary, the duties and obligations of the Restructuring Support Parties under this Agreement shall be several, not joint. No Party shall have any responsibility by virtue of this Agreement for any trading by any other entity. No prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this Agreement. The Parties acknowledge that this Agreement does not constitute an agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting, or disposing of any equity securities of the Debtors and do not constitute a “group” within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934, as amended. 20. **Specific Performance.** It is understood and agreed by the Parties that money damages may be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to seek specific performance and injunctive or other equitable relief as a remedy of any such breach of this Agreement, including, without limitation, an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

21. **Governing Law and Jurisdiction.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to such state’s choice of law provisions which would require or permit the application of the law of any other jurisdiction. Exhibit A-1 to the Restructuring Support Agreement
Plan Term Sheet

SHORELINE ENERGY LLC**PLAN TERM SHEET**

This plan term sheet (the “*Term Sheet*”), attached as **Exhibit A-1** to the Restructuring Support Agreement referenced below, sets forth the principal terms and conditions of a proposed chapter 11 plan of Shoreline Energy LLC (“*Shoreline*”) Shoreline EH LLC (“*Holdco*”), and each subsidiary of Shoreline and Holdco (the “*Shoreline Subsidiaries*,” together with Shoreline and Holdco, the “*Debtors*”).¹ The Debtors intend to file chapter 11 cases in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “*Bankruptcy Court*”) in accordance with the Restructuring Support Agreement. This Term Sheet is not a complete list of all the terms and conditions of the restructuring transaction contemplated herein and shall not constitute an offer to sell or buy, nor the solicitation of an offer to sell or buy any of the securities referred to herein or the solicitation of acceptances of a chapter 11 plan. Any such solicitation shall be made only in compliance with any applicable securities laws and chapter 11 of title 11 of the United States Code (the “*Bankruptcy Code*”). Without limiting the generality of the foregoing, this Term Sheet and the undertakings contemplated herein are subject in all respects to the negotiation, execution, and delivery of the Definitive Documentation consistent herewith and the Restructuring Support Agreement. In the event of an inconsistency between this Term Sheet and the Definitive Documentation, the provisions of the Definitive Documentation shall govern. This Term Sheet is proffered in the nature of a settlement proposal in furtherance of settlement discussions and is entitled to protection from any use or disclosure to any party or person pursuant to Rule 408 of the Federal Rules of Evidence and other rules of similar import.

THIS TERM SHEET IS NOT AN OFFER WITH RESPECT TO ANY SECURITIES OR A SOLICITATION OF ACCEPTANCES OF A CHAPTER 11 PLAN. ANY SUCH OFFER OR SOLICITATION WILL ONLY BE MADE IN COMPLIANCE WITH ANY APPLICABLE SECURITIES LAWS AND THE BANKRUPTCY CODE.

THIS TERM SHEET IS BEING PROVIDED AS PART OF A PROPOSED COMPREHENSIVE COMPROMISE AND SETTLEMENT, EACH ELEMENT OF WHICH IS CONSIDERATION FOR THE OTHER ELEMENTS AND AN INTEGRAL ASPECT OF THE PROPOSED RESTRUCTURING. THE STATEMENTS CONTAINED HEREIN ARE PROTECTED BY RULE 408 OF THE FEDERAL RULES OF EVIDENCE, AND NOTHING IN THIS TERM SHEET SHALL CONSTITUTE OR BE CONSTRUED AS AN ADMISSION OF ANY FACT OR LIABILITY, A STIPULATION, OR A WAIVER, AND EACH STATEMENT CONTAINED HEREIN IS MADE WITHOUT PREJUDICE, WITH A FULL RESERVATION OF ALL RIGHTS, REMEDIES, CLAIMS, AND DEFENSES OF THE FIRST LIEN LENDERS (AS DEFINED BELOW), THE PURCHASER, THE DEBTORS, AND ANY CREDITOR PARTY.

¹ Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Restructuring Support Agreement.

Plan of Liquidation: The Debtors will file voluntary petitions commencing cases under chapter 11 of the Bankruptcy Code (the “*Chapter 11 Cases*”) no later than November 2, 2016 (the “*Petition Date*”).

The Debtors assets remaining after the sale of the Designated Assets and any Non-Designated Assets will be liquidated and distributed through a pre-arranged chapter 11 plan of liquidation (the “*Plan*”) on the terms and subject to the conditions set forth in this Term Sheet and that certain Restructuring Support Agreement dated as of November 2, 2016 between the Debtors, the First Lien Lenders and HB Parent (the “*Restructuring Support Agreement*”).

Effective Date: The date the Plan becomes effective (the “*Effective Date*”) shall be the date on which all the conditions to consummation of the Plan have been satisfied in full or waived.

The Designated Asset Sale: As set forth in the acquisition term sheet attached as **Exhibit A-3** to the Restructuring Support Agreement, the Debtors will sell to the Purchaser or a bidder submitting a higher and better cash offer as an Alternative Transaction pursuant to section 363 of the Bankruptcy Code and an asset purchase agreement (the “*Agreement*”) all of the Debtors’ right, title and interest in, to and under certain properties (“the “*Designated Assets*”) identified by the Purchaser (with the consent of the First Lien Agent) free and clear of any and all liens, encumbrances, claims, and other interests, subject to certain agreed upon title exceptions. The Designated Assets are initially set forth on *Schedule 1* of the Acquisition Term Sheet; provided that Schedule 1 of the Acquisition Term Sheet (and the corresponding schedule of Designated Assets in the Agreement) may be revised by the Purchaser and First Lien Lender (by mutual consent) to the extent set forth in the Acquisition Term Sheet. The capital structure of the Purchaser and the allocation of the credit bid as to particular Designated Assets shall be as set forth in the Acquisition Term Sheet. The Agreement and sale of the Designated Assets shall not be conditioned on consummation of the Plan and the occurrence of the Effective Date, and the Debtors agree to consummate the sale of the Designated Assets pursuant to the Agreement regardless of whether the Plan is confirmed, consummated, or the Effective Date occurs.

The Non-Designated Asset Sales: The Debtors will market all of their assets that are not Designated Assets (the “*Non-Designated Assets*”) for sale pursuant to section 363 of the Bankruptcy Code free and clear of any and all liens, encumbrances, claims, and other interests and will endeavor to consummate the sale of the Non-Designated Assets on or before the Effective Date. The sale of the Non-Designated assets will not be conditioned on confirmation or consummation of the Plan. To the extent the Non-Designated Assets are subject to liens securing the DIP

Credit Agreement, the First Lien Credit Agreement or any adequate protection liens granted to the First Lien Lenders or First Lien Agent, such liens shall attach to the sale proceeds of the Non-Designated Assets with the same priority as such liens existed on the Non-Designated Assets; provided, however, that in the event the Cases convert to cases under chapter 7 of the Bankruptcy Code or the Plan is confirmed, such liens shall be subject to the Non-Designated Asset Proceeds Carve-Out (as defined below).

Current Capital Structure:

The current capital structure of the Debtors is as follows:

1. Indebtedness under that certain Third Amended and Restated Credit Agreement dated as of October 16, 2015 (as amended, restated, modified, supplemented, or replaced from time to time prior to the Petition Date, the “*First Lien Facility*”), by and among Shoreline, each of the lenders party thereto, and Morgan Stanley Energy Capital Inc. (in such capacity, the “*First Lien Agent*”), as administrative agent. The First Lien Facility is secured by a first priority lien on substantially all assets of Shoreline and the Guarantors (as defined below).
2. Indebtedness under that certain Second Lien Credit Agreement dated as of September 30, 2013 (the “*Second Lien Facility*”) among Shoreline, as the Borrower, the financial institutions as party thereto, including the Purchaser, as lenders, The Bank of Tokyo-Mitsubishi UFJ, Ltd., as administrative agent for such lenders, MUFG Union Bank, N.A. (f/k/a Union Bank, N.A.), as collateral agent, and certain subsidiaries of Shoreline (collectively, the “*Guarantors*”). The Second Lien Facility is secured by a second priority lien on substantially all assets of Shoreline and the Guarantors.
3. Indebtedness under that certain Note Purchase Agreement dated as of September 30, 2014 among Holdco, the purchasers from time to time party thereto, and Sankaty Advisors, LLC (as amended, restated, supplemented or otherwise modified from time to time, the “*Holdco Notes*”).
4. Trade and vendor claims.
5. All preferred and common equity interests in Shoreline (the “*Existing Equity*”).

Treatment of Claims and Interests:

1. **DIP Facility Claims.** In the event that the Purchaser is the successful bidder for the Designated Assets, the DIP Agent, on behalf of the holders of the DIP Facility Claims will credit bid all of the outstanding obligations under the DIP Credit

Any such proceeds paid to the holders of First Lien Facility Claims shall be transferred to the Purchaser for use as working capital or such other use as the Purchaser deems advisable and in its best interest. Any unsecured portion of the First Lien Facility Claims shall be treated as General Unsecured Claims. In the event that an Alternative Transaction is not consummated, the Non-Designated Asset Proceeds Carve-Out shall not be paid to the holders of First Lien Claims and shall instead be available for distribution to other creditors in accordance with the Plan. Impaired – Entitled to vote.

3. **Second Lien Facility Claims.** Holders of claims under the Second Lien Facility (the “*Second Lien Facility Claims*”) shall receive the following treatment: Any liens securing the Second Lien Facility Claims shall remain attached to the Liquidating Trust Assets and the Second Lien Facility Claims shall be paid from any remaining proceeds of the liquidation of such applicable Liquidating Trust Assets after payment of the costs of administration of the Liquidating Trust and after the payment in full of all First Lien Facility Claims full. Any such proceeds paid to any affiliate of HB Parent shall be transferred to the Purchaser for use as working capital or such other use as the

Purchaser deems advisable and in its best interest. In the event of an Alternative Transaction, holders of Second Lien Facility Claims will receive a pro rata share of cash from the sale of the Core Assets following the payment of all administrative, priority, DIP Facility Claims and First Lien Facility Claims. Any Second Lien Facility Claims not paid in cash from an Alternative Transaction will receive treatment as a General Unsecured Claim.

Impaired – Entitled to vote.

Unimpaired – Deemed to accept.

5. **Other Secured Claims.** Each holder of an allowed secured claim (other than a priority tax claim, DIP Facility Claim, First Lien Facility Claim, or Second Lien Facility Claim) shall receive, at the Debtors' election and with the consent of the Restructuring Support Parties, either (a) cash equal to the full amount of such secured claim, (b) the return or abandonment of the collateral securing such secured claim to such holder, or (c) such other treatment as may otherwise be agreed to by such holder, the Debtors, and the Restructuring Support Parties.

Unimpaired – Deemed to accept.

6. **General Unsecured Claims.** Holders of General Unsecured Claims will receive their *pro rata* share of any proceeds from the liquidation of the Liquidating Trust Assets remaining after the payment of the costs of administering the Liquidating Trust and the payment in full of all First Lien Facility Claim and Second Lien Facility Claims.

Each Borrowing shall be in an aggregate amount not less than \$500,000 and in integral multiples of \$100,000 in excess thereof, and in each case shall consist of Advances made by the Lenders ratably according to their respective Commitments. There shall not at any time be more than a total of two (2) Eurodollar Rate Advances outstanding. Within the limits of each Lender’s Commitment, and subject to the terms of this Agreement, the Borrower may from time to time borrow, prepay, and reborrow Advances.

(b) Notes. The indebtedness of the Borrower to each Lender resulting from the Advances owing to such Lender may be evidenced by a Note of the Borrower payable to the order of such Lender upon the request of such Lender.

Section 2.02 [Reserved].

Section 2.03 Method of Borrowing.

(a) Notice. Each Borrowing shall be made pursuant to a Notice of Borrowing (or by telephone notice promptly confirmed in writing by a Notice of Borrowing), given not later than noon (New York, New York time) on the third Business Day before the date of the proposed Borrowing by the Borrower to the Administrative Agent, which shall in turn give to each Lender prompt notice of such proposed Borrowing in accordance with Section 9.02. Each Notice of a Borrowing shall be given in accordance with Section 9.02, specifying the information required therein. The Administrative Agent shall promptly notify each Lender of the applicable interest rate under Section 2.09(b). Each Lender shall, before 2:00 pm (New York, New York time) on the date of such Borrowing, make available for the account of its Lending Office to the Administrative Agent at its address referred to in Section 9.02, or such other location as the Administrative Agent may specify by notice to the Lenders, in same day funds, in the case of a Borrowing, such Lender’s Pro Rata Share of such Borrowing. After the Administrative Agent’s receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Administrative Agent shall make such funds available to the Borrower at its account with the Administrative Agent.

(b) Continuations. Other than with respect to the Maturity Date, to the extent the principal of any Eurodollar Rate Advance is not paid on the last day of the Interest Period

applicable to such Advance, such Advance shall automatically continue into a subsequent Interest Period commencing on the next succeeding day.

(c) Notices Irrevocable. Each Notice of Borrowing shall be irrevocable and binding on the Borrower. In the case of any Borrowing, the Borrower shall indemnify each Lender against any loss, out-of-pocket cost, or expense incurred by such Lender as a result of any failure by the Borrower to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth in Article III including, without limitation, any loss (including any loss of anticipated profits), cost, or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Advance to be made by such Lender as part of such Borrowing when such Advance, as a result of such failure, is not made on such date.

(d) Administrative Agent Reliance. Unless the Administrative Agent shall have received notice from a Lender before the date of any Borrowing that such Lender shall not make available to the Administrative Agent such Lender's Pro Rata Share of a Borrowing, the Administrative Agent may assume that such Lender has made its Pro Rata Share of such Borrowing available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (a) of this Section 2.03 and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made its Pro Rata Share of such Borrowing available to the Administrative Agent, such Lender and the Borrower severally agree to immediately repay to the Administrative Agent on demand such corresponding amount, together with interest on such amount, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent, at (i) in the case of the Borrower, the interest rate applicable on such day to Advances comprising such Borrowing and (ii) in the case of such Lender, the Federal Funds Rate for such day. If such Lender shall repay to the Administrative Agent such corresponding amount and interest as provided above, such corresponding amount so repaid shall constitute such Lender's Advance as part of such Borrowing for purposes of this Agreement even though not made on the same day as the other Advances comprising such Borrowing.

(e) Lender Obligations Several. The failure of any Lender to make the Advance to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, to make its Advance on the date of such Borrowing. No Lender shall be responsible for the failure of any other Lender to make the Advance to be made by such other Lender on the date of any Borrowing.

Section 2.04 Reduction of the Commitments.

(a) The Borrower shall have the right, upon at least three Business Days' irrevocable notice to the Administrative Agent, to terminate in whole or reduce ratably in part the unused portion of the Commitments; provided that each partial reduction shall be in the aggregate amount of \$500,000 or in integral multiples of \$100,000 in excess thereof.

(b) Any reduction and termination of the Commitments pursuant to this Section 2.04 shall be applied ratably to each Lender's Commitment and shall be permanent, with no obligation of the Lenders to reinstate such Commitments.

If any such notice is given, the Borrower shall prepay the Advances in whole or ratably in part in an aggregate principal amount equal to the amount specified in such notice, together with accrued interest to the date of such prepayment on the principal amount prepaid and amounts, if any, required to be paid pursuant to Section 2.12 as a result of such prepayment being made on such date; provided, however, that each partial prepayment with respect to: (A) any amounts prepaid in respect of Eurodollar Rate Advances shall be applied to Eurodollar Rate Advances comprising part of the same Borrowing and (B) any prepayments shall be made in an aggregate principal amount of at least \$500,000 and in integral multiples of \$100,000 in excess thereof, and in an aggregate principal amount such that after giving effect thereto such Borrowing shall have a remaining principal amount outstanding with respect to such Borrowing of at least \$500,000. Full prepayments of any Borrowing are permitted without restriction of amounts.

(b) Mandatory.

(i) If, (A) any Loan Party (or the Administrative Agent as loss payee or assignee) receives Extraordinary Cash Proceeds, whether as one payment or a series of payments, or (B) any Loan Party receives proceeds from the incurrence of any Debt (other than Debt permitted under Section 6.02 (after giving effect to any waiver or amendment of Section 6.02 approved by the Majority Lenders in connection with such incurrence of Debt)) then the Borrower shall, on the date of receipt of such proceeds (or if not practicable, within one Business Day after receipt of such proceeds), prepay the Advances, in an aggregate amount equal to 100% of such proceeds; provided that, so long as no Event of Default has occurred and is continuing, no prepayment shall be required under this Section 2.05(b) to the extent that such Extraordinary Cash Proceeds resulting from a Casualty Event are, with the consent of the Administrative Agent which shall not be unreasonably withheld, reinvested in long term productive assets of the general type useful in the business of the Borrower and its Subsidiaries within thirteen (13) weeks after receipt of such Extraordinary Cash Proceeds.

Each prepayment under (x) Section 2.05(b)(i) above, solely to the extent that such Extraordinary Cash Proceeds result from a Disposition, shall be applied to the Advances with a permanent

reduction of the Commitments in like amount or as otherwise determined by the Administrative Agent and agreed to by the Lenders in their sole discretion and (y) Section 2.05(b)(ii) shall be applied to the Advances without a permanent reduction of the Commitments in like amount.

(c) Commitments. If on any day the sum of the aggregate unpaid principal amount of all Advances exceeds the aggregate Commitments, the Borrower shall, on such day (or if not practical, within one Business Day), prepay the outstanding amount of the Advances to the extent, if any, that the aggregate unpaid principal amount of all Advances exceeds the aggregate Commitments. Each prepayment pursuant to this Section 2.05(c) shall be accompanied by accrued interest on the amount prepaid to the date of such prepayment and amounts, if any, required to be paid pursuant to Section 2.12 as a result of such prepayment being made on such date. Each prepayment under this Section 2.05(c) shall be applied, as determined by the Administrative Agent and agreed to by the Lenders in their sole discretion.

(d) Illegality. If any Lender shall notify the Administrative Agent and the Borrower that the introduction of or any change in or in the interpretation of any applicable Legal Requirement makes it unlawful, or that any central bank or other Governmental Authority asserts that it is unlawful for such Lender or its Lending Office to perform its obligations under this Agreement to maintain any Eurodollar Rate Advances of such Lender then outstanding hereunder, (i) the Borrower shall, no later than noon (New York, New York time) (A) if not prohibited by law, on the last day of the Interest Period for each outstanding Eurodollar Rate Advance made by such Lender or (B) if required by such notice, on the second Business Day following its receipt of such notice, prepay all of the Eurodollar Rate Advances made by such Lender then outstanding, together with accrued interest on the principal amount prepaid to the date of such prepayment and amounts, if any, required to be paid pursuant to Section 2.12 as a result of such prepayment being made on such date, (ii) such Lender shall simultaneously make an Advance to the Borrower on such date in an amount equal to the aggregate principal amount of the Eurodollar Rate Advances prepaid to such Lender at an alternate rate of interest reasonably determined by the Majority Lenders or the applicable Lender(s), in consultation with the Borrower, as their cost of funds, and (iii) the right of the Borrower to select Eurodollar Rate Advances from such Lender for any subsequent Borrowing shall be suspended until such Lender gives notice referred to above shall notify the Administrative Agent that the circumstances causing such suspension no longer exist.

(e) No Additional Right; Ratable Prepayment. The Borrower shall have no right to prepay any principal amount of any Advance except as provided in this Section 2.05. Each payment of any Advance pursuant to this Section 2.05 shall be made in a manner such that all Advances comprising part of the same Borrowing are paid in whole or ratably in part.

Section 2.06 Repayment of Advances. The Borrower shall repay to the Administrative Agent for the ratable benefit of the Lenders the outstanding principal amount of each Advance, together with all outstanding PIK Interest and any accrued interest on the Advances and the PIK Interest, on the Maturity Date or such earlier date pursuant to Section 7.02.

Section 2.07 [Reserved].

(a) Commitment Fees. The Borrower agrees to pay to the Administrative Agent for the account of each Lender a commitment fee at a per annum rate equal to 0.75% on the average daily Unused Commitment Amount of such Lender, from the Effective Date until the Commitment Termination Date (the "Commitment Fee"); provided that no Commitment Fee shall accrue on the Commitment of a Defaulting Lender during the period such Lender remains a Defaulting Lender. The Commitment Fee shall be due and payable monthly in arrears on the last day of each calendar month, and continuing thereafter through and including the Commitment Termination Date.

(b) [Reserved].

(c) Upfront Fees. The Borrower agrees to pay, for the account of the Lenders, a fee equal to \$160,000, which fee shall be due and payable on the Effective Date. If at any time, the Lenders agree to make all or any portion of the Incremental Commitment available to the Borrower pursuant to Section 2.20, the Borrower agrees to pay, for the account of the Lenders, a fee equal to 100 basis points on the amount of such increase so made available, which fee shall be due and payable on each applicable Increased Facility Closing Date.

(d) Administrative Agent Fees. The Borrower agrees to pay to the Administrative Agent, for its own account, an annual administration fee equal to \$50,000, which fee will be payable annually, in advance, commencing on the Effective Date and thereafter on each anniversary thereof.

Section 2.09 Interest.

(a) The Borrower shall pay interest on the unpaid principal amount of each Advance made by each Lender from the date of such Advance until such principal amount shall be paid in full, at a rate per annum equal at all times during the Interest Period for such Advance to the Eurodollar Rate for such Interest Period plus the Applicable Margin in effect from time to time, payable on the last day of each calendar month, provided that (x) prior to entry of the Final Order, 50% of the interest on Advances outstanding shall be paid in cash, with the balance of such interest to be paid in kind and (y) on and after entry of the Final Order 50% of the interest on Advances outstanding in excess of \$30,000,000 shall be paid in cash, with the balance of such interest to be paid in kind, and all interest on Advances up to and including \$30,000,000 shall be paid in kind (all of the interest paid in kind in accordance with this proviso, the "PIK Interest"); provided further that on the first such interest payment date occurring after the entry of the Final Order, the Borrower shall pay an additional amount of interest on \$2 million of Existing Advances in the manner set forth in this paragraph (a), and the Administrative Agent shall adjust its records to give effect to the foregoing, as if such \$2 million were outstanding as of the Effective Date. The PIK Interest shall accrue interest at the same rate as the Advances and all amount of PIK Interest, and accrued interest thereon, shall be paid in cash on the Maturity Date or such earlier date pursuant to Section 7.02.

Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the “Maximum Rate”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Advances or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 2.10 Payments and Computations.

(a) Payment Procedures. The Borrower shall make each payment under this Agreement and under the Notes not later than noon (New York, New York time) on the day when due in Dollars to the Administrative Agent at the location referred to in the Notes (or such other location as the Administrative Agent shall designate in writing to the Borrower) in same day funds without deduction, setoff, or counterclaim of any kind, except as may be applicable to any Defaulting Lender. The Administrative Agent shall promptly thereafter cause to be distributed like funds relating to the payment of principal, interest or fees ratably (other than amounts payable solely to the Administrative Agent or a specific Lender pursuant to Section 2.08(c), 2.09(b), 2.12, 2.13, 2.14, 8.05, or 9.07, but after taking into account payments effected pursuant to Section 9.04) in accordance with each Lender’s Pro Rata Share to the Lenders for the account of their respective Lending Offices, and like funds relating to the payment of any other amount payable to any Lender for the account of its Lending Office, in each case to be applied in accordance with the terms of this Agreement.

(b) Computations. All computations of interest based on the Eurodollar Rate and the Federal Funds Rate shall be made by the Administrative Agent, on the basis of a year of 360 days, in each case for the actual number of days (including the first day, but excluding the last day) occurring in the period for which such interest or fees are payable. Each determination by the Administrative Agent of an interest rate or fee shall be conclusive and binding for all purposes, absent manifest error.

(c) Non-Business Day Payments. Whenever any payment shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or fees, as the case may be; provided, however, that if such extension would cause payment of interest on or principal of Eurodollar Rate Advances to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(d) Administrative Agent Reliance. Unless the Administrative Agent shall have received written notice from the Borrower prior to the date on which any payment is due to the Lenders that the Borrower shall not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such date an amount equal to the amount then due such Lender. If

and to the extent the Borrower shall not have so made such payment in full to the Administrative Agent, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender, together with interest, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate for such day.

Section 2.11 Sharing of Payments, Etc. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of the Advances made by it in excess of its Pro Rata Share of payments on account of the Advances obtained by all the Lenders, such Lender shall notify the Administrative Agent and forthwith purchase from the other Lenders such participations in the Advances made by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such Lender's ratable share (according to the proportion of (a) the amount of the participation sold by such Lender to the purchasing Lender as a result of such excess payment to (b) the total amount of such excess payment) of such recovery, together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to the purchasing Lender to (ii) the total amount of all such required repayments to the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.11 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The provisions of this Section 2.11 shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Advances to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this Section 2.11 shall apply). If a Lender fails to make an Advance with respect to a Borrowing as and when required hereunder and the Borrower subsequently makes a repayment of any Advances, such repayment shall be split among the Non-Defaulting Lenders ratably in accordance with their respective Commitment percentages until each Lender (including the Defaulting Lender) has its percentage of all of the outstanding Advances and the balance of such repayment shall be applied among the Lenders in accordance with their Pro Rata Share.

Section 2.12 Breakage Costs. If (a) any payment of principal of any Eurodollar Rate Advance is made other than on the last day of the Interest Period for such Advance, whether as a result of any payment pursuant to Section 2.05, the acceleration of the maturity of the Obligations pursuant to Article VII, or otherwise, or (b) the Borrower fails to make a principal or interest payment with respect to any Eurodollar Rate Advance on the date such payment is due and payable, the Borrower shall, within 10 days of any written demand sent by any Lender to the Borrower through the Administrative Agent, pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, out-of-pocket costs or expenses which it may reasonably incur as a result of such payment or nonpayment, including, without limitation, any loss (including loss of anticipated profits), cost or

expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Advance.

Section 2.13 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurodollar Rate);

(ii) subject any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Rate Advances made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Rate Advance (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital and Liquidity Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Advances made by, held by, such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) [Reserved].

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than nine months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise

to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.14 Taxes.

(a) Defined Terms. For purposes of this Section 2.14, the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower, any Guarantor or any of their respective Subsidiaries under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower, any Guarantor or any of their respective Subsidiaries shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes. The Borrower, the Guarantors or their respective Subsidiaries shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification. The Borrower, the Guarantors and their respective Subsidiaries shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that the Borrower, the Guarantors and their respective Subsidiaries have not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower, the Guarantors and their respective Subsidiaries to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.06 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower, the Guarantors or any of their respective Subsidiaries to a Governmental Authority pursuant to this Section 2.14, the Borrower, such Guarantor or such Subsidiary, as applicable, shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.14(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Borrower,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such

Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable (or any successor form), establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E, as applicable (or any successor form), establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed copies of IRS Form W-8ECI (or any successor form);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit E-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable (or any successor form); or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI (or any successor form), IRS Form W-8BEN (or any successor form), IRS Form W-8BEN-E (or any successor form), a U.S. Tax Compliance Certificate substantially in the form of Exhibit E-2 or Exhibit E-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender

may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit E-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this

paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 2.14 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.15 Designation of Different Lending Office. If any Lender requests compensation under Section 2.13, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Advances hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.13 or 2.14, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

Section 2.16 Defaulting Lender.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Majority Lenders".

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 7 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 7.04 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Advance in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be

held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Advances under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Advances in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Advances were made at a time when the conditions set forth in Section 3.02 were satisfied or waived, such payment shall be applied solely to pay the Advances of all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Advances of such Defaulting Lender until such time as all Advances are held by the Lenders *pro rata* in accordance with the Commitments without giving effect to Section 2.16(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.16 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(b) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Advances of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Advances to be held *pro rata* by the Lenders in accordance with the Commitments (without giving effect to Section 2.16(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.17 Priority and Liens. The Loan Parties hereby covenant, represent and warrant that, upon entry of the DIP Order, the Obligations of the Loan Parties hereunder and under the other Loan Documents and the DIP Order, shall have the priority and liens set forth in the DIP Order, subject to the Carve-Out and Permitted Subject Liens as further described therein. Notwithstanding anything herein to the contrary, all proceeds received by the Administrative

Agent and the Lenders from the Collateral subject to the Liens granted in the DIP Order and/or the other Loan Documents shall be subject to the Carve-Out.

Section 2.18 Payment of Obligations. Upon the maturity (whether by acceleration or otherwise) of any of the Obligations under this Agreement or any of the other Loan Documents, the Lenders shall be entitled to immediate payment of such Obligations without further application to or order of the Bankruptcy Court.

Section 2.19 No Discharge. The Borrower and each Guarantor agrees that (a) any confirmation order entered in the Chapter 11 Cases shall not discharge or otherwise affect in any way any of the Obligations of the Loan Parties to the Secured Parties under this Agreement and the related Loan Documents, other than after the payment in full in cash to the Secured Parties of all Obligations under the DIP Facility and the related Loan Documents on or before the effective date of a plan of reorganization and termination of the Commitments and (b) to the extent the Obligations hereunder and under the other Loan Documents are not satisfied in full, (i) the Obligations arising hereunder shall not be discharged by the entry of a confirmation order (and each Loan Party, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) and (ii) the Superpriority Claim granted to the Administrative Agent and the Lenders pursuant to the DIP Order and the Liens granted to the Administrative Agent pursuant to the DIP Order shall not be affected in any manner by the entry of a confirmation order.

Section 2.20 Incremental Facility. (a) The Borrower and any one or more Lenders may from time to time agree that such Lenders shall provide, in their sole discretion, additional Commitments of up to \$4,000,000 (the "Incremental Commitment") by executing and delivering to the Administrative Agent an Increased Facility Activation Notice specifying (i) the amount of such increase, and (ii) the applicable Increased Facility Closing Date.

(b) Notwithstanding anything to the contrary in this Agreement, each of the parties hereto hereby agrees that, on each Increased Facility Closing Date, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the increased Commitment evidenced thereby. Any such deemed amendment may be effected in writing by the Administrative Agent with the Borrower's consent and furnished to the other parties hereto.

The Borrower and each Guarantor represents and warrants as follows:

Section 4.01 Existence; Subsidiaries. Holdco and the Borrower each is a limited liability company duly organized, validly existing and in good standing under the laws of Delaware and in good standing and, subject to any restrictions arising on account of Holdco's or the Borrower's status as a "debtor" under the Bankruptcy Code, qualified to do business in each other jurisdiction where its ownership or lease of Property or conduct of its business requires such qualification, except where the failure to so qualify, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Change. Each Subsidiary of the Borrower is duly organized, validly existing, and in good standing under the laws of its jurisdiction of formation and in good standing and, subject to any restrictions arising on account of such Subsidiary's status as a "debtor" under the Bankruptcy Code, qualified to do business in each jurisdiction where its ownership or lease of Property or conduct of its business requires such qualification, except where the failure to so qualify, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Change. Section 4.02 Power; No Violation. Subject to the entry of the DIP Order, the execution, delivery, and performance by the Borrower of this Agreement, the Notes, and the other Loan Documents to which it is a party and by the Guarantors of the Guaranties and the other Loan Documents to which they are a party and the consummation of the transactions contemplated hereby and thereby (a) are within the Borrower's and such Guarantors' governing powers, (b) have been duly authorized by all necessary governing action, (c) do not contravene (i) the Borrower's or any Guarantor's certificate or articles of incorporation, bylaws, limited liability company agreement, or other similar governance documents or (ii) any law or any contractual

Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent and each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Administrative Agent or such Lender to or for the credit or the account of the Borrower against any and all of the Obligations held by the Administrative Agent or such Lender, and the other Loan Documents, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand under this Agreement, such Notes, or such other Loan Documents, and although such obligations may be unmatured. The Administrative Agent and each Lender agrees to promptly notify the Borrower after any such set-off and application made by the Administrative Agent or such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Administrative Agent and each Lender under this Section 7.04 are in addition to any other rights and remedies (including, without limitation, other rights of set-off) that the Administrative Agent or such Lender may have.

Section 7.05 Non-exclusivity of Remedies. No remedy conferred upon the Administrative Agent or the Lenders is intended to be exclusive of any other remedy, and each remedy shall be cumulative of all other remedies existing by contract, at law, in equity, by statute or otherwise.

Section 7.06 Application of Proceeds. From and during the continuance of any Event of Default, any monies or Property actually received by the Administrative Agent pursuant to this Agreement or any other Loan Document, the exercise of any rights or remedies under any Loan Document or any other agreement with the Borrower, any Guarantor or any of their respective Subsidiaries which secures any of the Obligations, shall be applied in the following order:

(a) First, to the payment of all amounts, including costs and expenses incurred in connection with the collection of such proceeds and the payment of any part of the Obligations, due to the Administrative Agent under any of the expense reimbursement or indemnity provisions of this Agreement or any other Loan Document, or other collateral documents, and any applicable law;

(b) Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders under the Loan Documents, ratably among them in proportion to the respective amounts described in this clause Second payable to them;

(c) Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Advances, including without limitation, interest on the PIK Interest, and other Obligations arising under the Loan Documents, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

(d) Fourth, to payment of that portion of the Obligations constituting unpaid principal under the Loan Documents, including without limitation, outstanding amounts of PIK Interest, ratably among the Lenders in proportion to the respective amounts described in this clause Fourth held by them;

(e) Fifth, to the Existing Administrative Agent; and

(f) Sixth, the remainder, if any, to the Borrower, its Subsidiaries, their respective successors or assigns, or such other Person as may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

ARTICLE VIII THE ADMINISTRATIVE AGENT

Section 8.01 Appointment; Powers. Each of the Lenders hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto.

Section 8.02 Duties and Obligations of Administrative Agent. The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (the use of the term “agent” herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; rather, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties), (b) the Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except as provided in Section 8.03, and (c) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any Loan Party that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or under any other Loan Document or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of this

Agreement, any other Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in ARTICLE III or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or as to those conditions precedent expressly required to be to the Administrative Agent's satisfaction, (vi) the existence, value, perfection or priority of any collateral security or the financial or other condition of the Borrower and the other Loan Parties or any other obligor or guarantor, or (vii) any failure by the Borrower or any other Person (other than itself) to perform any of its obligations hereunder or under any other Loan Document or the performance or observance of any covenants, agreements or other terms or conditions set forth herein or therein. For purposes of determining compliance with the conditions specified in ARTICLE III, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received written notice from such Lender prior to the Effective Date specifying its objection thereto.

Section 8.03 Action by Administrative Agent. The Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Majority Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.01) and in all cases the Administrative Agent shall be fully justified in failing or refusing to act hereunder or under any other Loan Documents unless it shall (a) receive written instructions from the Majority Lenders or the Lenders, as applicable, (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.01) specifying the action to be taken and (b) be indemnified to its satisfaction by the Lenders against any and all liability and expenses which may be incurred by it by reason of taking or continuing to take any such action. The instructions as aforesaid and any action taken or failure to act pursuant thereto by the Administrative Agent shall be binding on all of the Lenders. If a Default has occurred and is continuing, then the Administrative Agent shall take such action with respect to such Default as shall be directed by the requisite Lenders in the written instructions (with indemnities) described in this Section 8.03, provided that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders. In no event, however, shall the Administrative Agent be required to take any action which, exposes the Administrative Agent to liability or which is contrary to this Agreement, the Loan Documents or applicable law, including, for the avoidance of doubt, any action that may be in violation of the automatic stay under any debtor relief law or that may effect a forfeiture, modification or termination property of a Defaulting Lender in violation of any debtor relief law. If a Default has occurred and is continuing, the Administrative Agent shall not have any obligation to perform any act in respect thereof. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Majority Lenders or the Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.01), and otherwise the Administrative Agent shall not be liable for any action taken or not taken by it hereunder or under any other Loan Document or under any other document or instrument referred to or provided for herein or therein or in

connection herewith or therewith INCLUDING ITS OWN ORDINARY NEGLIGENCE, except for its own gross negligence or willful misconduct.

Section 8.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon and each of the Borrower and the Lenders hereby waives the right to dispute the Administrative Agent's record of such statement, except in the case of gross negligence or willful misconduct by the Administrative Agent. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof permitted hereunder shall have been filed with the Administrative Agent.

Section 8.05 Subagents. The Administrative Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of this ARTICLE VIII shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 8.06 Resignation of Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this Section 8.06, the Administrative Agent may resign at any time by notifying the Lenders and the Borrower. Upon any such resignation, the Majority Lenders shall have the right, in consultation with the Borrower, to appoint a successor. If no successor shall have been so appointed by the Majority Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a qualified financial institution as successor Administrative Agent. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this VIII and Sections 9.04 and 9.07 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Section 8.07 Administrative Agent as Lender. The Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any other Loan Party or other Affiliate thereof as if it were not the Administrative Agent hereunder.

Section 8.08 No Reliance. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Sole Lead Arranger or any other Lender, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and each other Loan Document to which it is a party. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Sole Lead Arranger or any other Lender, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder. The Administrative Agent shall not be required to keep itself informed as to the performance or observance by the Borrower, or any of the other Loan Parties of this Agreement, the Loan Documents or any other document referred to or provided for herein or to inspect the Properties or books of any such Person. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Sole Lead Arranger shall have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of the Borrower or any Loan Parties (or any of their Affiliates) which may come into the possession of the Administrative Agent or any of its Affiliates. In this regard, each Lender acknowledges that Simpson Thacher & Bartlett LLP is acting in this transaction as special counsel to the Administrative Agent only, except to the extent otherwise expressly stated in any legal opinion or any Loan Document. Each other party hereto will consult with its own legal counsel to the extent that it deems necessary in connection with the Loan Documents and the matters contemplated therein.

Section 8.09 [Reserved].

Section 8.10 Indemnification. THE LENDERS SEVERALLY AGREE TO INDEMNIFY THE ADMINISTRATIVE AGENT AND EACH AFFILIATE THEREOF AND THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS (TO THE EXTENT NOT REIMBURSED BY THE BORROWER), ACCORDING TO THEIR RESPECTIVE PRO RATA SHARES FROM AND AGAINST ANY AND ALL LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES, OR DISBURSEMENTS OF ANY KIND OR NATURE WHATSOEVER WHICH MAY BE IMPOSED ON, INCURRED BY, OR ASSERTED AGAINST THE ADMINISTRATIVE AGENT IN ANY WAY RELATING TO OR ARISING OUT OF THIS AGREEMENT OR ANY ACTION TAKEN OR OMITTED BY THE ADMINISTRATIVE AGENT UNDER THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (INCLUDING THE ADMINISTRATIVE AGENT'S OWN NEGLIGENCE), AND INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL LIABILITIES, PROVIDED THAT NO LENDER SHALL BE LIABLE FOR ANY PORTION OF SUCH LIABILITIES, OBLIGATIONS, LOSSES,

DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES, OR DISBURSEMENTS RESULTING FROM THE ADMINISTRATIVE AGENT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. WITHOUT LIMITATION OF THE FOREGOING, EACH LENDER AGREES TO REIMBURSE THE ADMINISTRATIVE AGENT PROMPTLY UPON DEMAND FOR ITS RATABLE SHARE OF ANY OUT OF POCKET EXPENSES (INCLUDING COUNSEL FEES) INCURRED BY THE ADMINISTRATIVE AGENT IN CONNECTION WITH THE PREPARATION, EXECUTION, DELIVERY, ADMINISTRATION, MODIFICATION, AMENDMENT, OR ENFORCEMENT (WHETHER THROUGH NEGOTIATIONS, LEGAL PROCEEDINGS, OR OTHERWISE) OF, OR LEGAL ADVICE IN RESPECT OF RIGHTS OR RESPONSIBILITIES UNDER, THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, TO THE EXTENT THAT THE ADMINISTRATIVE AGENT IS NOT REIMBURSED FOR SUCH BY THE BORROWER. To the extent that the indemnity obligations provided in this Section 8.10 are for the benefit of the Administrative Agent as the named secured party under the Liens granted under the DIP Order and the other Loan Documents, each Lender hereby agrees that if such Lender ceases to be a Lender hereunder but Obligations owing to such Lender or an Affiliate of such Lender continue to be secured by such Liens, then such Lender shall continue to be bound by the provisions of this Section 8.10 until such time as such Obligations have been satisfied or terminated in full and subject to the terms of the last sentence of Section 9.09.

Section 8.11 Collateral Matters.

(a) The Administrative Agent is authorized on behalf of the Secured Parties, without the necessity of any notice to or further consent from the Secured Parties, from time to time, to take any actions with respect to any Collateral or the Loan Documents which may be necessary to perfect and maintain Acceptable Security Interests in and Liens upon the Collateral granted pursuant to the Loan Documents. The Administrative Agent is further authorized on behalf of the Secured Parties, without the necessity of any notice to or further consent from the Secured Parties, from time to time, to take any action (other than enforcement actions requiring the consent of, or request by, the Majority Lenders as set forth in Section 7.02 or Section 7.03 above) in exigent circumstances as may be reasonably necessary to preserve any rights or privileges of the Secured Parties under the Loan Documents or applicable law. By accepting the benefit of the Liens granted pursuant to the Loan Documents, each Secured Party not party hereto hereby agrees to the terms of this paragraph (a).

(b) Each Secured Party irrevocably authorizes the Administrative Agent to release any Lien granted to or held by the Administrative Agent upon any Collateral: (i) upon termination of the Commitments and payment in full of all Obligations; (ii) constituting Property sold or to be sold or otherwise disposed of as part of or in connection with any disposition permitted under this Agreement or the other Loan Documents; (iii) constituting Property in which the Borrower or any Subsidiary owned no interest at the time the Lien was granted or at any time thereafter; (iv) constituting Property leased to the Borrower or any Subsidiary under a lease which has expired or has been terminated in a transaction permitted under this Agreement or is about to expire and which has not been, and is not intended by the Borrower or such Subsidiary to be, renewed or extended; or (v) if approved, authorized or ratified in writing by the applicable Majority Lenders or all the Lenders, as the case may be, as required by Section 9.01. Upon the request of the Administrative Agent at any time, the Secured Parties will confirm in

writing the Administrative Agent's authority to release particular types or items of Collateral pursuant to this Section 8.07. By accepting the benefit of the Liens granted pursuant to the Loan Documents, each Secured Party not party hereto hereby agrees to the terms of this paragraph (b).

(c) Notwithstanding anything contained in any of the Loan Documents to the contrary, the Borrower, the Administrative Agent, and each Secured Party hereby agree that no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranties, it being understood and agreed that all powers, rights and remedies hereunder and under the Loan Documents may be exercised solely by Administrative Agent on behalf of the Secured Parties in accordance with the terms hereof. By accepting the benefit of the Liens granted pursuant to the Loan Documents, each Secured Party not party hereto hereby agrees to the terms of this paragraph (c).

Section 8.12 No Other Duties, Etc. Anything herein to the contrary notwithstanding, the Sole Lead Arranger listed on the cover page hereof shall not have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender hereunder.

ARTICLE IX MISCELLANEOUS

Section 9.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement, the Notes, or any other Loan Document, nor consent to any departure by the Borrower or any Subsidiary therefrom, shall in any event be effective unless the same shall be in writing and signed by the Majority Lenders and the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no amendment, waiver, or consent shall, unless in writing and signed by all the Lenders, do any of the following: (a) waive any of the conditions specified in Section 3.01, (b) increase the Commitments of the Lenders, (c) reduce the principal of, or interest on, the Obligations or any fees or other amounts payable hereunder or under any other Loan Document, (d) postpone any date fixed for any payment of principal of, or interest on, the Obligations or any fees or other amounts payable hereunder or extend the Maturity Date or the Commitment Termination Date, (e) change the percentage of Lenders which shall be required for the Lenders or any of them to take any action hereunder or under any other Loan Document, (f) amend Section 2.11 in such a manner as to alter the pro rata sharing of payments required therein or this Section 9.01, (g) reduce any percentages specified in the definitions of "Majority Lenders" as defined in this Agreement, (h) release any Guarantor from its obligations under any Guaranty, other than as a result of a transaction permitted hereby, (i) release all or substantially all of the Collateral securing the Obligations, except for releases of Collateral sold or otherwise transferred as permitted by this Agreement and except for releases of Collateral as permitted under Section 8.10(b); and provided, further, no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above to take such action, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document.

Section 9.02 Notices, Etc.

(a) Notices Generally. All notices and other communications shall be in writing (including, without limitation, facsimile) and mailed by certified mail, return receipt requested, faxed, hand delivered, or delivered by a nationally recognized overnight courier, at the address for the appropriate party specified in Schedule I or at such other address as shall be designated by such party in a written notice to the other parties. All such notices and communications shall, when so mailed, faxed, or hand delivered or delivered by a nationally recognized overnight courier, be effective when received if mailed, when telecopy transmission is completed, when confirmed by telex answer-back, or when delivered by such messenger or courier, respectively, except that notices and communications to the Administrative Agent pursuant to Article II or VIII shall not be effective until received by the Administrative Agent.

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

Section 9.03 No Waiver; Remedies. No failure on the part of any Lender or the Administrative Agent to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 9.04 Costs and Expenses. The Borrower shall pay (a) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and its Affiliates, including the reasonable fees, charges and disbursements of one primary counsel for the Administrative Agent and its Affiliates and to the extent necessary as determined by the Administrative Agent, other outside consultants for the Administrative Agent, the reasonable

travel, photocopy, mailing, courier, telephone, distributions, insurance, bank meetings and other similar expenses, and the cost of environmental invasive and non-invasive assessments and audits and surveys and appraisals, in connection with the preparation, negotiation, execution, delivery and administration (both before and after the execution hereof and including advice of counsel to the Administrative Agent as to the rights and duties of the Administrative Agent and the Lenders with respect thereto) of this Agreement and the other Loan Documents and any amendments, modifications or waivers of or consents related to the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (b) all reasonable and documented out-of-pocket costs, expenses, Taxes, assessments and other charges incurred by the Administrative Agent in connection with any search, filing, registration, recording or perfection of any security interest contemplated by this Agreement or any Loan Document or any other document referred to therein, (c) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, or any Lender, including the reasonable and documented fees, charges and disbursements of any counsel for the Administrative Agent or any Lender in connection with the enforcement or protection of its rights in connection with this Agreement or any other Loan Document, including its rights under this Section 9.04, or in connection with the Advances made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Advances (including, without limitation, periodic collateral/financial control, field examinations, asset appraisal expenses, the monitoring of assets, enforcement or rights and other miscellaneous disbursements).

Section 9.05 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and the Administrative Agent, and when the Administrative Agent shall have, as to each Lender, either received a counterpart hereof executed by such Lender or been notified by such Lender that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, the Administrative Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights or delegate its duties under this Agreement or any interest in this Agreement without the prior written consent of each Lender.

Section 9.06 Lender Assignments and Participations.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.06. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in Section 9.06) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in Section 9.06(b)(ii), any Lender may assign to one or more assignees (each, an “Eligible Assignee”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Advances at the time owing to it) with the prior written consent of the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment to an assignee that is a Lender immediately prior to giving effect to such assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s Commitment or Advances, the amount of the Commitment or Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000 unless the Administrative Agent otherwise consents;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of \$4,000;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(E) prompt written notice shall have been provided to the Borrower of any assignment; and

(F) the assignee must not be a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person), a Defaulting Lender, or an Affiliate or Subsidiary of the Borrower.

(iii) Subject to Section 9.06(b)(iv) and the acceptance and recording thereof, from and after the effective date specified in each Assignment and Acceptance the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.13, Section 2.14 and Section 9.04, and Section 9.07). Any assignment or transfer by a Lender of rights or obligations under this Agreement that

does not comply with this Section 9.06 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.06(f).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice. In connection with any changes to the Register, if necessary, the Administrative Agent will reflect the revisions on Schedule I and forward a copy of such revised Schedule I to the Borrower and each Lender.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the Assignee's completed Administrative Questionnaire and, if required hereunder, applicable tax forms (unless the Eligible Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this Section 9.06(b) and any written consent to such assignment required by this Section 9.06(b), the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 9.06(b).

(vi) Notwithstanding the foregoing, no assignment or participation shall be made to any Loan Party or any Affiliate of a Loan Party.

(c) (i) Any Lender may at any time, without the consent of, or notice to, the Borrower, the Administrative Agent, or any other Person, sell participations to any Person (other than a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Advances owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Borrower, the Administrative Agent, and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and (D) the selling Lender shall maintain the Participant Register. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the

consent of the Participant, agree to any amendment, modification or waiver described in Section 9.01(a) through (d) that affects such Participant. In addition such agreement must provide that the Participant be bound by the provisions of Section 9.04 and Section 9.07. The Borrower agrees that each Participant shall be entitled to the benefits of Section 2.13 and Section 2.14 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.06(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 7.04 as though it were a Lender, provided such Participant agrees to be subject to Section 2.12 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Advances or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, Advance or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.13 or Section 2.14 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from an adoption of or any Change in Law or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the date hereof that occurs after the Participant acquired the applicable participation. 4. *Debtors' Stipulations.* Without prejudice to the rights of any other party (but subject to the limitations thereon contained in paragraph 19), the Debtors, on behalf of themselves and their respective estates, admit, stipulate, and agree that:

(a) as of the Petition Date, the Debtors party to or otherwise obligated under the Prepetition First Lien Documents were truly and justly indebted and liable on a joint and several basis to the Prepetition First Lien Lenders, without defense, objection, counterclaim or offset of any kind, in the aggregate principal amount of not less than \$150.4013 million in respect of loans (such loans, the “**Prepetition First Lien Loans**”), plus all accrued and unpaid interest thereon and any fees and expenses (including fees and expenses of attorneys and outside consultants) related thereto as provided in the Prepetition First Lien Documents (collectively, the “**Prepetition First Lien Obligations**”);

(c) the Prepetition First Lien Obligations constitute legal, valid, binding and non-avoidable obligations against each of the Debtors and are not subject to any avoidance, recharacterization, effect, counterclaim, defense, offset, subordination, other claim, cause of action or other challenge of any kind or nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise. No payments or transfers made to or for the benefit of (or obligations incurred to or for the benefit of) the Prepetition First Lien Agent or Prepetition First Lien Secured Parties by or on behalf of any of the Debtors prior to the Petition Date under or in connection with any of the Prepetition First Lien Documents or Prepetition Swap Agreements is subject to avoidance, recharacterization, effect, counterclaim, defense, offset, subordination, other claim, cause of action or other challenge of any kind or nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise;

Lien Obligations and (ii) not subject to avoidance, recharacterization, offset, subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law or other challenge and (iii) after giving effect to this Order and subject to the Carve-Out (as defined below), subject and subordinate only to other valid and unavoidable liens properly perfected prior to the Petition Date (or perfected after the Petition Date to the extent permitted by section 546(b) of the Bankruptcy Code) to the extent such liens are permitted under the Prepetition First Lien Documents to be senior to the liens securing the Prepetition First Lien Obligations;

(e) none of the DIP Agent, the DIP Lenders or the Prepetition First Lien Secured Parties are control persons or insiders of the Debtors or any of their affiliates by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the DIP Facility, the DIP Documents, the Prepetition First Lien Documents;

The Debtors further waive and release any defense, right of counterclaim, right of setoff or deduction of the payment of the Prepetition First Lien Obligations and the DIP Obligations that the Debtors now have or may claim to have against the Releasees arising out of, connected with, or relating to any and all acts, omissions or events occurring prior to the entry of this Order;

(g) no portion of any of the Prepetition First Lien Obligations shall be subject to contest, attack, avoidance, impairment, disallowance, defense, counterclaim,

(h) The Prepetition Agents, together with the Debtors, are party to that certain Intercreditor Agreement, dated as of October 16, 2015 (as amended, supplemented or otherwise modified as of the Petition Date, the “**Intercreditor Agreement**”), that set forth, among other things, the relative lien priorities and other rights and remedies of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties with respect to the Prepetition Collateral; pursuant to section 6.01 of that Intercreditor Agreement, (x) the liens on the Prepetition Collateral held by the Prepetition Second Lien Secured Parties are subordinate to the DIP Liens, the First Lien Adequate Protection Liens (as defined in paragraph 15(a) below) and the liens securing the Prepetition First Lien Obligations, and (y) the Second Lien Adequate Protection Liens are subordinate to the DIP Liens, the liens securing the Prepetition First Lien Obligations and the First Lien Adequate Protection Liens;

(i) The aggregate value of the Prepetition Collateral securing the Prepetition First Lien Obligations exceeds the sum of (x) aggregate amount of the Prepetition First Lien Obligations that are to be repaid by and rolled into the DIP Facility upon entry of the Final Order and (y) \$18,000,000 .

5. *Findings Regarding the DIP Loans.*

(a) Good cause has been shown for the entry of this Order.

(b) The Debtors have an immediate need to enter into the DIP Facility, obtain the DIP Loans, and to use the Prepetition Collateral, including the Cash Collateral (as defined below), in order to, among other things, permit the orderly continuation of their businesses, preserve the going concern value of the Debtors, make payroll and satisfy other

working capital and general corporate purposes of the Debtors (including fees, costs and expenses related to the Chapter 11 Cases and the DIP Documents and capital expenditures, as and to the extent set forth in this Order and in accordance with the Budget and the DIP Documents).

(c) The Debtors are unable to obtain financing on more favorable terms from sources other than the DIP Lenders pursuant to, and for the purposes set forth in, the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 364(b) of the Bankruptcy Code. The Debtors are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without (x) granting priming liens under section 364(d)(1) of the Bankruptcy Code and the Superpriority Claims (as defined in paragraph 7(a) below) and (y) subject to entry of the Final Order, using proceeds from the DIP Facility to repay \$32,000,000 of the Prepetition First Lien Loans, in each case on the terms and conditions set forth in this Order and the DIP Documents.

(d) The terms of the DIP Facility pursuant to the DIP Documents and the use of the Prepetition Collateral (including the Cash Collateral) pursuant to this Order are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(e) The DIP Documents, the use of the Prepetition Collateral (including the Cash Collateral), and the grant of adequate protection hereunder have been the subject of extensive negotiations conducted in good faith and at arm's length among the Debtors, the DIP Agent, the DIP Lenders, and the other Prepetition First Lien Secured Parties, and all of the Debtors' obligations and indebtedness arising under or in connection with the DIP

Documents, this Order and the DIP Loans (collectively, the “**DIP Obligations**”) shall be deemed to have been extended by the DIP Agent and DIP Lenders in “good faith” as such term is used in section 364(e) of the Bankruptcy Code, and in express reliance upon the protections set forth therein, and shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Order or any provision hereof is vacated, reversed or modified on appeal or otherwise. Any such reversal, modification, or vacatur shall not affect the validity and enforceability of any advances previously made or made hereunder or any lien, claim or priority authorized or created hereby. Any liens or claims granted to the DIP Lenders hereunder arising prior to the effective date of any such reversal, modification, or vacatur of this Order shall be governed in all respects by the original provisions of this Order, including entitlement to all rights, remedies, privileges and benefits granted herein.

(f) The Debtors have requested immediate entry of this Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2). Absent granting the interim relief set forth in this Order, the Debtors’ estates and their business operations will be immediately and irreparably harmed. The borrowing of the DIP Loans and the use of the Prepetition Collateral (including the Cash Collateral) in accordance with this Order and the DIP Documents are, therefore, in the best interest of the Debtors’ chapter 11 estates.

6. *Authorization of the DIP Loans and the DIP Documents.*

(a) The Debtors are hereby authorized (i) to enter into and perform under the DIP Documents and, (ii) to borrow under the DIP Credit Agreement up to an aggregate principal amount of \$5,000,000 of the DIP Loans, the proceeds of which shall be used for, subject to the terms of this Order, the DIP Documents and the Budget, working capital and other general corporate purposes of the Debtors (including fees, costs and expenses related to

the Chapter 11 Cases and the DIP Documents, capital expenditures and to fund the Carve-Out), including without limitation, to pay interest, fees and expenses in connection with the DIP Loans. Amounts borrowed under the DIP Credit Agreement may be repaid and re-borrowed in accordance with the terms of the DIP Documents and subject to the limitations set forth in this Order.

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized and empowered to perform all acts and to execute and deliver all instruments and documents that the DIP Agent determines to be reasonably required or necessary for such Debtor's performance of its obligations under the applicable DIP Documents, including without limitation:

(i) the execution, delivery and performance of the DIP Documents;

(ii) the execution, delivery and performance of one or more amendments, waivers, consents or other modifications to and under the DIP Documents (including, without limitation, the Budget) (in each case in accordance with the terms of the applicable DIP Documents and in such form as the Debtors, the DIP Agent and the required DIP Lenders may agree) and no further approval of this Court shall be required for any amendment, waiver, consent or other modification to and under the DIP Documents (including, without limitation, the Budget) that does not materially and adversely affect the Debtors or which does not (A) shorten the scheduled maturity of the DIP Loans, (B) increase the principal amount of the DIP Facility or the rate of interest payable on the DIP Loans, or (C) change any DIP Event of Default, add any covenants or amend the covenants therein, in any such case to be materially more restrictive; provided, however, that a copy of any such amendment, waiver, consent or other modification shall be filed by the Debtors with this Court and served by the Debtors on counsel for the Prepetition Agents, the U.S. Trustee, and counsel to any statutory committee of unsecured creditors (the "**Committee**") appointed in the Chapter 11 Cases within three (3) Business Days of its effectiveness;

(iii) the non-refundable payment to the DIP Agent and the DIP Lenders, as the case may be, of the commitment, upfront, and administrative agency fees set forth in the applicable DIP Documents as described in the Motion; and

(iv) the performance of all other acts required under or in connection with the DIP Documents.

(c) Upon the execution thereof, the DIP Documents shall constitute valid and binding obligations of the Debtors, enforceable against the Debtors in accordance with the terms of this Order and the DIP Documents. No obligation, payment, transfer or grant of security by the Debtors under the DIP Documents or this Order shall be voidable, avoidable, restrained or recoverable under the Bankruptcy Code or under any applicable nonbankruptcy law (including without limitation, under sections 502(d) or 548 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law), or subject to any defense, reduction, setoff, recoupment or counterclaim.

(d) All borrowings under the DIP Facility and all use of Cash Collateral shall be in compliance with the Budget (including any permitted variance set forth in the DIP Credit Agreement; as the Budget may be modified from time to time consistent with and subject to the terms of the DIP Credit Agreement), and the Debtors shall not use any portion of the proceeds of the DIP Facility or any Cash Collateral, directly or indirectly, in excess of the amounts set forth in the Budget, except (and to the extent of) any variance permitted under the DIP Credit Agreement. The Budget may be updated and amended from time to time in accordance with the DIP Credit Agreement, provided that (i) such updated or amended Budget shall be provided promptly to counsel for the Prepetition Agents and any Committee and (ii) and the Debtors shall be required always to comply with the Budget as set forth in DIP Credit Agreement.

7. *Superpriority Claims.*

(a) Except to the extent expressly set forth in this Order in respect of the

Carve-Out, pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed senior administrative expense claims (the “**Superpriority Claims**”) against the Debtors on a joint and several basis (without the need to file a proof of claim or request for payment) with priority over any and all administrative expenses, adequate protection claims and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims shall be payable from and have recourse to all pre- and post-petition property of each of the Debtors. Other than the Carve-Out, no priority claims are, or will be, senior to, prior to, or *pari passu* with the Superpriority Claims, or any of the DIP Obligations, or with any other claims of the DIP Agent or the DIP Lenders arising hereunder or under the other DIP Documents, or otherwise in connection with the DIP Facility.

(b) For purposes hereof, the “**Carve-Out**” shall mean, collectively: the sum of (i) all fees owing to the United States Trustee incurred in connection with the Chapter 11 Cases, (ii) professional fees, expenses, and disbursements incurred by professional persons retained by the Debtors or any Committee pursuant to section 327, 328, 363 or 1103 of the Bankruptcy Code (“**Allowed Professional Fees and Expenses**”) accrued on and after the Petition Date and before the occurrence of a Carve-Out Trigger Date to the extent allowed by the Court at any time (whether before or after the Carve-Out Trigger Date

(defined in this paragraph 7 below) and (c) Allowed Professional Fees and Expenses incurred on and after the occurrence of a Carve-Out Trigger Date, in an amount not to exceed \$750,000 (the “**Post-Trigger Date Carve-Out**”). For the purposes hereof, a “**Carve-Out Trigger Date**” means the first business day after the DIP Agent provides a written notice to the DIP Borrower and its counsel that an Event of Default under (and as defined in) the DIP Credit Agreement (a “**DIP Event of Default**”) (or an event which with the giving of notice would constitute a DIP Event of Default) has occurred. For the avoidance of doubt, the Carve-Out shall be senior to any claims arising under or relating to and liens securing the DIP Facility, the Prepetition First Lien Obligations, the Prepetition First Lien Documents, the Prepetition Second Lien Obligations, the Prepetition Second Lien Documents including, without limitation, any administrative or superpriority claims and all forms of adequate protection liens or security interests.

(c) Immediately upon delivery of the written notice required in connection with the Carve-Out Trigger Date, the Debtors shall be permitted to transfer from their concentration account to a segregated account (the “**Carve-Out Account**”) not subject to the control of the DIP Agent, DIP Lenders or the Prepetition Secured Parties an amount equal to the Post-Trigger Date Carve-Out; provided that such amount shall include an amount equal to the aggregate unpaid fees, costs and expenses described in clause (b) of the definition of “Carve-Out” as reasonably determined by a good faith estimate of the Debtors. The Carve-Out Account and the proceeds on deposit in the Carve-Out Account shall be available only to satisfy obligations benefitting from the Carve-Out and shall not constitute DIP Collateral, except that the DIP Agent shall retain security interests in any residual interests in the Carve-Out Account available following satisfaction in full of all obligations benefitting from the

Carve-Out, and shall receive distributions on accounts of such residual interests.

(d) To the extent funded from the DIP Facility, the Carve-Out shall be added to and made part of the DIP Facility.

8. *DIP Liens.* As security for the DIP Obligations, effective and perfected upon the date of this Order and without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages or other similar documents, or the possession or control by the DIP Agent of any property, the following security interests in and liens and mortgages upon all property identified in clauses (a), (b) and (c) below (other than any leasehold interest (or any of rights or interests thereunder) the grant of a lien on which, notwithstanding the Bankruptcy Code, shall constitute or result in the abandonment, invalidation or unenforceability of any right, title or interest of the obligor under any lease governing such leasehold interest or a breach or termination pursuant to the terms of, or a default under, any such lease (“**Excepted Leases**”); provided that the proceeds of such leasehold interests shall constitute DIP Collateral) (collectively, the “**DIP Collateral**”) are hereby granted to the DIP Agent, for its own benefit and the benefit of the DIP Lenders, subject only to the Carve-Out and any existing valid, perfected, enforceable and non-avoidable liens existing as of the Petition Date that are senior to any liens securing the Prepetition First Lien Obligations (all such liens and security interests granted to the DIP Agent, for its benefit and for the benefit of the DIP Lenders, pursuant to this Order and the DIP Documents, the “**DIP Liens**”):

(a) First Lien on Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority lien on, and security interest in, all tangible and intangible prepetition and post-petition

property in which the Debtors have an interest, whether existing on or as of the Petition Date or thereafter acquired, that is not subject to valid, perfected, non-avoidable and enforceable liens in existence on or as of the Petition Date or valid liens perfected (but not granted) after the Petition Date to the extent such postpetition perfection is expressly permitted by section 546(b) of the Bankruptcy Code (collectively, the “**Unencumbered Property**”), including without limitation, any and all unencumbered cash, hydrocarbons and other inventory generated or produced after the Petition Date, accounts receivable, inventory, general intangibles, contracts, securities, chattel paper, owned real estate, real property leaseholds, fixtures, machinery, equipment, vehicles, deposit accounts, patents, copyrights, trademarks, tradenames, rights under license agreements and other intellectual property, capital stock of the subsidiaries of the Debtors and the proceeds of all of the foregoing; provided that the Unencumbered Property shall exclude any of the Debtors’ claims and causes of action arising under chapter 5 of the Bankruptcy Code (collectively, the “**Avoidance Actions**”) but subject to entry of the Final Order, Unencumbered Property shall include all proceeds or property recovered from Avoidance Actions, whether by judgment, settlement or otherwise.

(b) Liens Junior to Certain Existing Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected junior lien on, and security interest in, all tangible and intangible prepetition and post-petition property in which the Debtors have an interest (other than the property described in paragraph 8(c), as to which the DIP Liens will be as described in such clause), whether now existing or hereafter acquired and all proceeds thereof, that is subject to valid, perfected and unavoidable liens in existence immediately prior to the Petition Date or to valid and unavoidable liens in existence immediately prior to the Petition Date that are perfected after the Petition Date as

permitted by section 546(b) of the Bankruptcy Code and are senior to the liens of the Prepetition First Lien Agent (collectively, the “**Non-Primed Liens**”), which security interests and liens in favor of the DIP Agent and the DIP Lenders shall be junior to the Non-Primed Liens.

(c) Liens Priming the Liens of the Prepetition Secured Parties. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority, senior priming lien on, and security interest in, all Prepetition Collateral. The DIP Liens on the Prepetition Collateral shall be senior in all respects to the security interests in, and liens on, the Prepetition Collateral of each of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties (collectively, the “**Prepetition Secured Parties**”) (including the Adequate Protection Liens granted to such Prepetition Secured Parties), but, for the avoidance of doubt, shall be subject to the Non-Primed Liens (other than the liens of the Prepetition Secured Parties).

(d) Liens Senior to Certain Other Liens. Other than Permitted Subject Liens (as defined in the DIP Credit Agreement) incurred after the Petition Date, no claim or lien, security interest or mortgage having a priority senior to or *pari passu* with those granted by this Order to the DIP Agent and the DIP Lenders other than the Carve-Out shall be granted or allowed while any portion of the DIP Obligations remain outstanding, and the DIP Liens shall not be (i) subject or subordinate to (A) any lien, security interest or mortgage that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (B) any liens, security interests or mortgages arising after the Petition Date or (ii) subordinated to or made *pari passu* with any other lien, security interest or mortgage under sections 363 or 364 of the Bankruptcy Code or otherwise. The DIP Liens

and Adequate Protection Liens shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (such Chapter 11 Cases or proceedings, “**Successor Cases**”), and/or upon the dismissal of any of the Chapter 11 Cases. Subject to the entry of the Final Order, the DIP Liens and the Adequate Protection Liens shall not be subject to section 510 of the Bankruptcy Code (other than as set forth in the Intercreditor Agreement), to the “equities of the case” exception of section 552 of the Bankruptcy Code, or to section 506(c) of the Bankruptcy Code, or sections 549, 550 or 551 of the Bankruptcy Code.

9. *Remedies after Event of Default.* Upon the occurrence and during the continuance of a DIP Event of Default, five (5) Business Days after the DIP Agent provides written notice to the Debtors of a DIP Event of Default (the “**Remedies Notice Period**”) (with a copy to counsel to the Debtors, counsel to the Prepetition Agents, the U.S. Trustee and counsel to the Committee), the automatic stay under section 362 of the Bankruptcy Code is vacated and modified automatically to the extent necessary to permit the DIP Agent and the DIP Lenders to exercise all rights and remedies provided for in the DIP Documents and this Order (including, without limitation, the right to setoff monies of the Debtors in accounts maintained with the DIP Agent or any DIP Lender) following the conclusion of the Remedies Notice Period and in the absence of an order of the Court issued during such Remedies Notice Period that a DIP Event of Default has not occurred and/or is not continuing. For the avoidance of doubt, neither the DIP Agent nor any of the DIP Lenders shall exercise any such rights and remedies on account of an DIP Event of Default until after expiration of the Remedies Notice Period. The only issue that may be raised by any party in opposition to the exercise of rights and remedies is that no DIP

Event of Default has occurred or is continuing. During the Remedies Notice Period, the Debtors shall be entitled to (x) use the proceeds of the DIP Facility and/or the Cash Collateral in accordance with the Budget and fund the Carve-Out, (y) contest the occurrence and/or continuance of the a DIP Event of Default and (z) to seek and obtain an emergency hearing before the Court, with proper notice to the DIP Agent, solely for the purpose of contesting whether a DIP Event of Default has occurred and/or is continuing. In no event shall the DIP Agent, the DIP Lenders or the Prepetition First Lien Secured Parties be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the DIP Collateral or the Prepetition Collateral. Neither the DIP Agent’s nor any DIP Lender’s delay or failure to exercise rights and remedies under the DIP Documents or this Order shall constitute a waiver of such DIP Agent’s or any DIP Lender’s rights hereunder, thereunder or otherwise, unless any such waiver is pursuant to a written instrument executed in accordance with the terms of the applicable DIP Credit Agreement. During the Remedies Notice Period, notwithstanding the foregoing or any provision in the DIP Documents, neither the DIP Agent nor the DIP Lenders shall be required to fund any Advances or other funding requests of the Debtors.

10. *Limitation on Charging Expenses against Collateral.* Subject to and effective upon entry of the Final Order, except to the extent of the Carve-Out, no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral or the Prepetition Collateral, as the case may be, pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent or the Prepetition First Lien Agent, as

applicable, and no such consent shall be implied from any other action or inaction by the DIP Agent, the DIP Lenders or the Prepetition First Lien Secured Parties.

11. *Limitations under Section 552(b) of the Bankruptcy Code.* The Prepetition First Lien Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and, subject to and effective upon entry of the Final Order, the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to any of the Prepetition First Lien Secured Parties with respect to (i) proceeds, products, offspring or profits of any of the Prepetition Collateral or any of the DIP Collateral or (ii) the extension of the First Lien Adequate Protection Liens to cover proceeds of the Prepetition Collateral.

12. *Payments Free and Clear.* Any and all payments or proceeds remitted to the DIP Agent on behalf of the DIP Lenders or (except as provided in paragraph 19 of this Order) to the Prepetition Secured Parties pursuant to the provisions of this Order or any subsequent order of this Court shall be received free and clear of any claim, charge, assessment or other liability, other than the Carve-Out.

13. *Cash Collateral.* All of the Debtors’ cash as of the Petition Date on deposit or maintained by the Debtors in any account or accounts with any Prepetition Secured Party and any cash proceeds of the disposition of any Prepetition Collateral, constitute proceeds of the Prepetition Collateral and, therefore, are Cash Collateral of the Prepetition Secured Parties (subject in all cases to the Intercreditor Agreement), within the meaning of section 363(a) of the Bankruptcy Code.

14. *Use of Prepetition Collateral (Including Cash Collateral).* The Debtors are hereby authorized to use the Prepetition Collateral, including the Cash Collateral, during the period from the Petition Date through and including the Termination Date (as defined below) for

working capital and general corporate purposes (including to fund the Carve-Out, pay fees, costs and expenses related to the Chapter 11 Cases and the DIP Documents and capital expenditures, as and to the extent set forth in this Order and in accordance with the Budget and the DIP Documents) in accordance with the terms and conditions of this Order and subject to compliance with the Budget; provided that the occurrence of the Termination Date as a result of a DIP Event of Default and any termination of the use of Cash Collateral in connection therewith, or as a result thereof, is subject to the Remedies Notice Period; provided further that, (a) the Prepetition Secured Parties are granted adequate protection as set forth herein and (b) except on the terms of this Order, the Debtors are not authorized to use the Cash Collateral. As used herein, “**Termination Date**” means the earlier to occur of (a) the Maturity Date (as defined in the DIP Credit Agreement) of the DIP Facility and (b) the acceleration of any DIP Loans and the termination of any Commitments (as defined in the DIP Credit Agreement) in accordance with the terms of the DIP Credit Agreement.

15. *Adequate Protection for the Prepetition First Lien Agent and Prepetition First Lien Lenders.* The Prepetition First Lien Agent and the Prepetition First Lien Lenders are entitled, pursuant to sections 361, 363(c)(2), and 363(e) of the Bankruptcy Code, to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, in an amount equal to the aggregate diminution in value of their valid, perfected and enforceable interests in the Prepetition Collateral, including without limitation, any such diminution resulting from the sale, lease or use by the Debtors (or other decline in value) of the Cash Collateral and any other Prepetition Collateral, the priming of the Prepetition First Lien Agent’s liens on the Prepetition Collateral by the DIP Liens and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code (such diminution in value, the “**First Lien Adequate**

Protection Obligations”). As adequate protection, the Prepetition First Lien Agent and the Prepetition First Lien Lenders are hereby granted the following:

(a) First Lien Adequate Protection Liens. As security for the payment of the First Lien Adequate Protection Obligations, the Prepetition First Lien Agent (for itself and for the benefit of the Prepetition First Lien Secured Parties) is hereby granted (effective and perfected upon the date of this Order and without the necessity of the execution by the Debtors of security agreements, pledge agreements, mortgages, financing statements or other agreements) a valid, perfected replacement security interest in and lien on all of the DIP Collateral (the “**First Lien Adequate Protection Liens**”), subject and subordinate only to (i) the DIP Liens, (ii) the Carve-Out and (iii) the Non-Primed Liens.

(b) First Lien 507(b) Claims. The First Lien Adequate Protection Obligations shall constitute superpriority claims as provided in section 507(b) of the Bankruptcy Code (the “**First Lien 507(b) Claims**”), with priority in payment over any and all administrative expenses of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code, including without limitation, sections 326, 328, 330, 331 and 726 of the Bankruptcy Code, subject and subordinate only to (i) the Carve-Out, and (ii) the Superpriority Claims granted in respect of the DIP Obligations.

(c) Fees and Expenses. As additional adequate protection to the Prepetition First Lien Agent and the Prepetition First Lien Lenders, the Debtors shall pay to the Prepetition First Lien Agent all reasonable and documented out-of-pocket fees and expenses of counsel and advisors payable to the Prepetition First Lien Agent under the Prepetition First Lien Documents (including any forbearance agreements). None of the fees and expenses payable pursuant to this paragraph 15(c) shall be subject to separate approval by this Court (but the U.S. Trustee, the Debtors and the Committee may object to the reasonableness of such fees and expenses within ten (10) Business Days of the receipt of an invoice detailing such fees and expenses, and this Court shall resolve any dispute as to the reasonableness of any such fees and expenses), and no recipient of any such payment shall be required to file any interim or final fee application with respect thereto. Promptly following the completion of the ten (10) Business Day objection period, if no objection is made or following the resolution of any dispute regarding the fees and expenses payable pursuant to this paragraph 15(c) in the Court, the Debtors shall pay the professional fees and expenses provided for in this paragraph 15(c) promptly after receipt of monthly invoices therefor, and the Prepetition First Lien Agent shall promptly provide copies of such invoices (redacted to protect privileges) to the counsel to the Committee and to the U.S. Trustee.

16. *Adequate Protection for the Prepetition Second Lien Agent and Prepetition Second Lien Lenders*. The Prepetition Second Lien Agent and the Prepetition Second Lien Lenders are entitled, pursuant to sections 361, 363(c)(2), and 363(e) of the Bankruptcy Code, to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral,

in an amount equal to the aggregate diminution in value of their valid, perfected and enforceable interests in the Prepetition Collateral, including without limitation, any such diminution resulting from the sale, lease or use by the Debtors (or other decline in value) of the Cash Collateral and any other Prepetition Collateral, the priming of the Prepetition Second Lien Agent's liens on the Prepetition Collateral by the DIP Liens and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code (such diminution in value, the “**Second Lien Adequate Protection Obligations**” and, together with the First Lien Adequate Protection Obligations, the “**Adequate Protection Obligations**”). As adequate protection, the Prepetition Second Lien Agent (for itself and for the benefit of the Prepetition Second Lien Secured Parties) is hereby granted (effective and perfected upon the date of this Order and without the necessity of the execution by the Debtors of security agreements, pledge agreements, mortgages, financing statements or other agreements) a valid, perfected replacement security interest in and lien on all of the DIP Collateral (the “**Second Lien Adequate Protection Liens**” and, together with the First Lien Adequate Protection Liens, the “**Adequate Protection Liens**”), subject and subordinate only to (i) the DIP Liens, (ii) the Carve-Out, (iii) the First Lien Adequate Protection Liens, (iv) the liens securing the Prepetition First Lien Obligations and (v) the Non-Primed Liens, and subject further to the Intercreditor Agreement.

17. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) The DIP Agent and each of the Prepetition Agents, as applicable, are hereby authorized, but not required, to file or record financing statements, intellectual property filings, mortgages, notices of lien or similar instruments in any jurisdiction, take possession of or control over (including pursuant to a deposit account control agreement), or take any other action in order to validate and perfect the DIP Liens or the applicable

Adequate Protection Liens granted to them hereunder, in each case, subject to the terms of the DIP Documents. In addition, to the extent that any filing and any other perfection actions described in the foregoing were taken by or in favor of the Prepetition First Lien Agent in respect of the Prepetition First Lien Documents, such filings and actions shall serve to perfect the DIP Liens in favor of the DIP Agent, for the benefit of the DIP Secured Parties, securing the DIP Obligations and, solely for purposes of perfecting the DIP Liens, the Prepetition First Lien Agent shall act as bailee for the DIP Agent. Whether or not the DIP Agent or any of the Prepetition Agents, in their respective sole discretion, choose to file such financing statements, intellectual property filings, mortgages, notices of lien or similar instruments, take possession of or control over, or otherwise confirm perfection of the DIP Liens and the applicable Adequate Protection Liens, such DIP Liens and such Adequate Protection Liens shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or, other than as set forth in the Intercreditor Agreement, subordination as of the date of entry of this Order, provided all parties reserve the right to dispute whether any diminution in value of interests in Prepetition Collateral has occurred or Adequate Protection Obligations exist.

(b) A certified copy of this Order may, in the discretion of the applicable DIP Agent or Prepetition Agent, as the case may be, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Order for filing and recording.

(c) The Debtors shall execute and deliver to the DIP Agent or the applicable Prepetition Agent, as the case may be, all such agreements, financing statements,

instruments and other documents as the applicable DIP Agent or Prepetition Agent, as the case may be, may reasonably request to evidence, confirm, validate or perfect the DIP Liens and the applicable Adequate Protection Liens.

(d) Subject to entry of the Final Order, any provision of any lease or other license, contract or other agreement (other than an Excepted Lease) that requires (i) the consent or approval of one or more landlords or other parties or (ii) the payment of any fees or obligations to any governmental entity, in order for any Debtor to pledge, grant, sell, assign, or otherwise transfer any such leasehold interest, or the proceeds thereof, or other DIP Collateral related thereto, is hereby deemed to be inconsistent with the applicable provisions of the Bankruptcy Code, and any such provision shall have no force and effect with respect to the granting of the DIP Liens or the Adequate Protection Liens on such leasehold interest or the proceeds of any assignment and/or sale thereof by any Debtor in favor of the DIP Lenders or Prepetition Secured Parties in accordance with the terms of the DIP Documents or this Order.

18. *Preservation of Rights Granted Under the Order.*

(a) Other than the Carve-Out, the DIP Liens, the Superpriority Claims, any Permitted Liens (as defined in the Prepetition First Lien Credit Agreement), and subject to the terms of the Intercreditor Agreement, no claim or lien having a priority senior to or *pari passu* with those granted by this Order to the Prepetition Agents shall be granted or allowed while any portion of the Adequate Protection Obligations remain outstanding, and the Adequate Protection Liens shall not be subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code or, except as set forth in the Intercreditor Agreement, subordinated to or

made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise.

(b) Unless all DIP Obligations shall have been indefeasibly paid in full in cash, it shall constitute a DIP Event of Default under the DIP Credit Agreements and a termination of the right to use the Cash Collateral if (i) any of the Debtors seeks, or if there is entered, any modification of this Order without the prior written consent of the DIP Agent, and no such consent shall be implied by any other action, inaction or acquiescence by the DIP Agent or (ii) an order is entered converting or dismissing any of the Chapter 11 Cases.

(c) If any or all of the provisions of this Order are hereafter reversed, modified, vacated or stayed, such reversal, stay, modification or vacatur shall not affect (i) the validity, priority or enforceability of any DIP Obligations or the Adequate Protection Obligations incurred prior to the effective date of such reversal, stay, modification or vacatur or (ii) the validity, priority or enforceability of the DIP Liens or the Adequate Protection Liens. Notwithstanding any such reversal, stay, modification or vacatur, any use of the Cash Collateral, any DIP Obligations or any Adequate Protection Obligations incurred by the Debtors to the DIP Agent, the DIP Lenders or to the Prepetition Secured Parties, as the case may be, prior to the effective date of such reversal, stay, modification or vacatur shall be governed in all respects by the original provisions of this Order, and the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall be entitled to all of the rights, remedies, privileges and benefits granted in section 364(e) of the Bankruptcy Code, this Order, the DIP Documents (with respect to all DIP Obligations), the Adequate Protection Obligations and uses of the Cash Collateral.

(d) Except as expressly provided in this Order or in the DIP Documents,

the Carve-Out, the DIP Liens, the Superpriority Claims, the Adequate Protection Liens, the First Lien 507(b) Claims and all other rights and remedies of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties granted by this Order and the DIP Documents shall survive, and shall not be modified, impaired or discharged by (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code or dismissing any of the Chapter 11 Cases, or (ii) the entry of an order confirming a plan of reorganization in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Debtors have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of this Order and the DIP Documents shall continue in the Chapter 11 Cases, in any Successor Cases, and the DIP Liens, the Adequate Protection Liens, the DIP Obligations, the Carve-Out, the Adequate Protection Obligations, the Superpriority Claims, the First Lien 507(b) Claims, and the other administrative claims granted pursuant to this Order, and all other rights and remedies of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties granted by this Order and the DIP Documents shall continue in full force and effect until all DIP Obligations are indefeasibly paid in full in cash and all Adequate Protection Obligations are indefeasibly paid in full in cash.

19. *Effect of Stipulations on Third Parties.*

(a) The stipulations and admissions contained in this Order, including without limitation, in paragraphs 4 and 13 of this Order, shall be binding upon the Debtors under all circumstances. The stipulations and admissions contained in this Order, including without limitation, in paragraphs 4 and 13 of this Order, shall be binding upon all parties in interest unless (a) any party-in-interest (including the Committee, if any) (a “**Challenge**

Party”) that successfully seeks and obtains standing to do so has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including without limitation, in this paragraph 19) (a “**Challenge**”) by the later of (a) seventy-five (75) days after entry of this Order and (b) sixty (60) days after the formation of the Committee (if any) (the “**Challenge Period**”); provided that any such deadline is subject to extension as may be specified by this Court for cause shown, or if the Prepetition First Lien Agent agrees to such an extension with respect to any Claims and Defenses in respect of the Prepetition First Lien Obligations, (i) challenging the validity, enforceability, priority or extent of the Prepetition First Lien Obligations or the liens on Prepetition Collateral securing the Prepetition First Lien Obligations or (ii) otherwise asserting or prosecuting any Avoidance Actions or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the “**Claims and Defenses**”) against any of the Prepetition First Lien Secured Parties or their respective agents, affiliates, subsidiaries, directors, officers, representatives, attorneys or advisors, each in their capacity as such, in connection with any matter related to the Prepetition First Lien Obligations, or the Prepetition Collateral and (b) an order is entered and becomes final in favor of the Challenge Party sustaining any such Challenge; provided that, subject to this paragraph 19, as to the Debtors, all such Claims and Defenses, are hereby irrevocably waived, released and relinquished as of the Petition Date; provided further, that the Challenge Period shall not be applicable to any chapter 7 or 11 trustee appointed or elected for any of the Debtors.

(b) If no such Challenge is timely filed in respect of the Prepetition First Lien Obligations (x) the Prepetition First Lien Obligations shall constitute allowed claims, not subject to counterclaim, setoff, subordination, defense, avoidance, impairment,

disallowance, recharacterization, reduction, recoupment, recovery, for all purposes in the Chapter 11 Cases and any subsequent chapter 7 case, (y) the liens on the Prepetition Collateral securing the Prepetition First Lien Obligations shall be deemed to have been, as of the Petition Date, and to be, legal, valid, binding, perfected and of the priority specified in paragraph 4(c) as applicable, not subject to setoff, subordination, defense, avoidance, impairment, disallowance, recharacterization, reduction, recoupment, or recovery and (z) the Prepetition First Lien Obligations, the Prepetition First Lien Lenders, and the Prepetition First Lien Agent, and the liens on the Prepetition Collateral granted to secure the Prepetition First Lien Obligations shall not be subject to any other or further challenge by any party-in-interest (including any Committee), and such party-in-interest shall be enjoined from seeking to exercise the rights of the Debtors' estates, including without limitation, any successor thereto (including, without limitation, any estate representative or a chapter 7 or 11 trustee appointed or elected for any of the Debtors). Nothing in this Order shall confer standing on any party in interest to assert any Claims or Defenses or otherwise bring any cause of action.

(c) If any Challenge is timely filed, the stipulations and admissions contained in paragraphs 4 and 13 of this Order shall nonetheless remain binding and preclusive (as provided in the third sentence of this paragraph 19) on all parties-in-interest (including the Committee, if any), except as to any such findings and admissions that were expressly and successfully challenged in such Challenge.

20. *Limitation on Use of DIP Loans, DIP Collateral and Prepetition Collateral.* The Debtors shall use the DIP Loans and the Prepetition Collateral (including the Cash Collateral) solely as provided in this Order, the Budget (including any permitted variance set forth in the DIP Credit Agreement) and the DIP Documents. Notwithstanding anything herein or in any

other order of this Court to the contrary, none of the DIP Loans, the DIP Collateral, the Prepetition Collateral (including the Cash Collateral) or the Carve-Out may be used to (a) object, contest or raise any defense to, the validity, perfection, priority, extent or enforceability of any amount due under the DIP Documents, the Prepetition First Lien Documents, or the liens or claims granted under this Order, the DIP Documents or the Prepetition First Lien Documents, (b) assert any Claims and Defenses or any other causes of action against the DIP Agent, the DIP Lenders, the Prepetition First Lien Secured Parties or their respective agents, affiliates, subsidiaries, directors, officers, representatives, attorneys or advisors, (c) prevent, hinder or otherwise delay the DIP Agent's assertion, enforcement or realization on the DIP Collateral in accordance with the DIP Documents or this Order, (d) seek to modify any of the rights granted to the DIP Agent, the DIP Lenders or the Prepetition First Lien Secured Parties hereunder or under the DIP Documents or the Prepetition First Lien Documents, in the case of each of the foregoing clauses (a) through (d), without such party's prior written consent or (e) pay any amount on account of any claims arising prior to the Petition Date unless such payments are (i) approved by an order of this Court and (ii) permitted under the DIP Documents (including, without limitation, the Budget); provided that, notwithstanding anything to the contrary herein, no more than an aggregate of \$50,000 of the Cash Collateral or proceeds of the DIP Loans may be used by any Committee to investigate the validity, enforceability or priority of the Prepetition Obligations or the liens on the Prepetition Collateral securing the Prepetition Obligations or investigate any Claims and Defenses against the Prepetition Secured Parties.

21. *Insurance.* To the extent any Prepetition Secured Party is listed as loss payee under the Debtors' insurance policies, the DIP Agent is also deemed to be the loss payee under the Debtors' insurance policies and shall act in that capacity and subject to the terms of the DIP

Documents, distribute any proceeds recovered or received in respect of any such insurance policies, first, to the payment of the DIP Obligations until paid in full, and second, to the payment of the Prepetition First Lien Obligations and the Prepetition Second Lien Obligations, subject to and in accordance with the Intercreditor Agreement.

22. *Order Governs.* In the event of any inconsistency between the provisions of this Order and the DIP Documents, the provisions of this Order shall govern.

23. *Binding Effect; Successors and Assigns.* The DIP Documents and the provisions of this Order, including all findings herein, shall be binding upon all parties-in-interest in the Chapter 11 Cases, including without limitation, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for any of the Debtors, an examiner with expanded powers appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders, the Prepetition First Lien Secured Parties and the Debtors and their respective successors and assigns; provided that, except to the extent expressly set forth in this Order, the DIP Documents, or the Intercreditor Agreement, the DIP Agent, the DIP Lenders and the Prepetition Secured Parties shall have no obligation to permit the use of the DIP Loans or the Cash Collateral or extend any financing to any chapter 7 trustee or similar responsible person appointed for the estates of the Debtors.

24. *Limitation of Liability.* In determining to make any loan under the DIP Credit Agreement, permitting the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Order or the DIP Documents, the DIP Agent, the DIP Lenders

and the Prepetition Secured Parties shall not solely by reason thereof be deemed in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601 *et seq.* as amended, or any similar federal or state statute). Furthermore, nothing in this Order or in the DIP Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders or any Prepetition Secured Party of any liability for any claims arising from the prepetition or post-petition activities of any of the Debtors.

25. *Intercreditor Agreement.* Nothing in this Order shall amend or otherwise modify the terms or enforceability of the Intercreditor Agreement, including without limitation, the turnover provisions contained therein, and the Intercreditor Agreement shall each remain in full force and effect. The rights of the Prepetition Secured Parties shall at all times remain subject to the Intercreditor Agreement.

26. *[Reserved].*

27. *Proofs of Claim.* None of the DIP Agent or DIP Lenders shall be required to file proofs of claim in any of the Chapter 11 Cases or any Successor Cases for any claim allowed herein, and none of Prepetition First Lien Secured Parties shall be required to file proofs of claim or request for payment of an administrative expense in any of the Chapter 11 Cases or any Successor Cases for any claim in respect of the Prepetition Obligations. Any order entered by the Court in relation to the establishment of a bar date for any claim (including without limitation administrative claims) in any of the Chapter 11 Cases or any Successor Cases shall not apply to

(i) the DIP Agent or the DIP Lenders, or (ii) the Prepetition First Lien Secured Parties with respect to the Prepetition First Lien Obligations.

28. *Credit-Bid.* (a) The DIP Agent shall have the right (on behalf of the DIP Lenders) to credit-bid the amount of the DIP Obligations in connection with any sale of all, substantially all, or any portion of the Debtors' assets and property or in connection with the exercise of any rights and remedies under the DIP Documents or this Order, including, without limitation, any sale occurring pursuant to section 363 of the Bankruptcy Code or included as part of any plan of reorganization subject to confirmation under section 1129(b)(2)(A)(iii) of the Bankruptcy Code and (b) except to the extent any party in interest or the Committee successfully prosecutes a Challenge in accordance with paragraph 19 of this Order, the Prepetition First Lien Agent, subject to the terms of the Intercreditor Agreement, shall have the right (on behalf of the Prepetition First Lien Lenders) to credit-bid the amount of the Prepetition First Lien Obligations in connection with any sale of all, substantially all, or any portion of the Debtors' assets and property or in connection with the exercise of any rights and remedies under the Prepetition First Lien Documents or this Order, including, without limitation, any sale occurring pursuant to section 363 of the Bankruptcy Code or included as part of any plan of reorganization subject to confirmation under section 1129(b)(2)(A)(iii) of the Bankruptcy Code. The DIP Agent and the Prepetition First Lien Agent shall (i) each be a qualified and permitted bidder in all respects at any auction, and shall not be required to submit a deposit, and (ii) have the right to designate any person or entity in its sole and absolute discretion that shall take title to the individual asset, portion of the assets, or all of the assets that are subject to their credit bid. No bid procedures shall be sought by the Debtors or approved by the Court in the Cases other than bid procedures that are on terms and conditions in form and substance reasonably acceptable to the DIP Agent

and the Prepetition First Lien Agent.

29. *No Waiver.* The failure of the DIP Lenders or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Order, the DIP Documents or the Prepetition First Lien Documents or otherwise, as applicable, shall not constitute a waiver of any of the DIP Lenders' or Prepetition Secured Parties' rights hereunder, thereunder, or otherwise. Except as expressly provided herein, the entry of this Order and the entry of the Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair any of the rights, claims, privileges, objections, defenses or remedies of the DIP Lenders or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law against any other person or entity in any court.

30. *No Third-Party Rights.* Except as explicitly provided for herein, this Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, third party or incidental beneficiary.

31. *Effectiveness.* This Order shall constitute findings of fact and conclusions of law and shall take effect immediately upon entry hereof, and there shall be no stay of effectiveness of this Order.

Exhibit A-3 to the Restructuring Support Agreement
Acquisition Term Sheet

SHORELINE ENERGY LLC
ACQUISITION TERM SHEET

This acquisition term sheet (the “*Term Sheet*”) is attached as **Exhibit A-3** to the Restructuring Support Agreement (the “*Restructuring Support Agreement*”) among Shoreline Energy LLC (“*Shoreline*”), Shoreline EH LLC (“*Holdco*”), each subsidiary of Shoreline and Holdco (the “*Shoreline Subsidiaries*,” together with Shoreline and Holdco, the “*Debtors*”), Morgan Stanley Capital Group, Inc. (“*MS*”) in its capacity as First Lien Lender¹ and HB Parent. The Restructuring Support Agreement provides that the parties thereto will support the Restructuring Transactions described therein, including the sale of certain of the Debtors’ assets pursuant to a definitive asset purchase agreement (the “*Agreement*”) and related documentation acceptable to the Debtors and the Restructuring Support Parties that is consistent with this Term Sheet and the Restructuring Support Agreement.²

Parties: Purchaser and MS will enter into the Agreement with the Debtors on the terms set forth generally in this Term Sheet.

Property: All of the rights, title, and interests in and to the Debtors’ oil and gas properties and related assets, including, but not limited to, all documents, contracts, and assets related thereto and any other documents, leases, contracts, assets, and property of the Debtors set forth on **Schedule 1** hereof (collectively, the “*Designated Assets*”); provided that Schedule 1 hereof (and the corresponding schedule of Designated Assets in the Agreement) may be revised by the Purchaser³ and MS (by mutual consent) to add or remove Designated Assets at any time prior to December 1, 2016 and thereafter to the closing of the Agreement, Purchaser and MS (by mutual consent) may add or remove Designated Assets in the event that Purchaser and MS (by mutual consent) determine any material change to any such Designated Asset has occurred; provided further that the Designated Assets may only be added or removed on a lease by lease basis and Designated Assets may not be added or removed on a well by well basis. The Non-Designated Assets shall be liquidated or abandoned through the Plan, and/or

¹ Capitalized terms used but not defined herein have the meaning ascribed to such terms in the Restructuring Support Agreement.

² The terms set forth in this Term Sheet are being provided on preliminary basis as part of a comprehensive proposal, each element of which is consideration for the other elements and an integral aspect of this Term Sheet and the Agreement. This Term Sheet is not meant to be, nor shall it be construed as an attempt to describe all of, or the specific phrasing for, the provisions of the definitive documentation. Rather, it is intended only to outline certain key terms to be included in, or otherwise be consistent with, and subject to terms of definitive documentation acceptable to the Purchaser, MS, and the Debtors.

³ HB Parent shall have all consent, approval, and agreement rights granted to Purchaser herein.

pursuant to the Bidding Procedures.

Acquisition:

The Debtors shall sell all of their right, title and interest in, to and under the Designated Assets free and clear of any and all liens, encumbrances, claims, and other interests to the Purchaser, subject to certain agreed upon title exceptions.

Purchase Price:

In consideration for the Designated Assets, the Purchaser and MS have agreed to pay to the Debtors on the Sale Closing Date: (a) the outstanding balance under the DIP Credit Agreement pursuant to a credit bid by MS, plus (b) an amount equal to \$115 million less the amount of claims bid under the DIP Credit Agreement pursuant to a credit bid by MS under the First Lien Credit Agreement, plus (c) \$1.5 million in cash as described in more detail below (to be funded by the Purchaser First Lien Facility) (collectively, the “**Purchase Price**”).⁴ The Purchase Price shall be allocated first to Designated Assets that constitute collateral that secures claims under the First Lien Credit Agreement and second to collateral that secures claims under the DIP Credit Agreement. The \$1.5 million cash component of the Purchase Price shall be paid by the Debtors to Imperial Capital at closing (subject to Court approval) for any allowed Restructuring Transaction Fee (as described in Imperial Capital's amended engagement letter dated as of November 1, 2016 (the “**Amended Engagement Letter**”)) or similar transaction fee that is or may become payable to Imperial Capital under the terms of its Amended Engagement Letter, and the Bid Procedures will also provide that \$1.5 million in cash from any topping bid will be so set aside to pay the same, provided that any obligation for such payment to Imperial Capital shall be an obligation only of the Debtors, and not of the Restructuring Parties, Purchaser, or any of their affiliated or related entities. Further, in resolution of their prior renegotiation of the amount of Imperial Capital's Restructuring Transaction Fee, the Restructuring Parties agree to support the retention of Imperial Capital on the terms of the Amended Engagement Letter which reduced the amount of the Restructuring Transaction Fee.

Purchaser Capital Structure:

The Purchaser shall have the following capital structure:

- A \$40 million first lien multi-draw term loan facility (the “**Purchaser First Lien Facility**”) funded by an entity designated by HPS (defined below) (“**HPSD**”), which facility shall be governed by a loan agreement in form and substance satisfactory to the Purchaser and MS (the “**Purchaser First Lien Credit Agreement**”). On the Sale Closing Date, the

⁴ The Restructuring Support Parties agree that, in the event any other higher and better bids are received by the Debtors, MS will credit bid up to the full amount of its claims under the DIP Credit Agreement and the First Lien Credit Agreement.

Purchaser shall use proceeds from the Purchaser First Lien Facility to pay MS an amount of cash equal to the principal amount outstanding under the DIP Credit Agreement (prior to giving effect to any credit bid), less the Rolled-Up Loans (as defined below), together with all accrued and unpaid interest thereon, including any PIK interest, and commitment fees and other amounts due MS under the DIP Credit Agreement.⁵ The Purchaser First Lien Facility shall:

- bear interest at a rate equal to LIBOR + 7.00%, with a 1.00% LIBOR floor;
 - be secured by a first lien on substantially all of the assets of the Purchaser and its subsidiaries;
 - be issued with 2% OID;
 - mature 4.5 years from the Sale Closing Date; and
 - have such other terms and conditions to be agreed by MS and the Purchaser and set forth on a term sheet no later than November 11, 2016 (which term sheet shall be deemed incorporated herein by reference).
- A second lien term note with an initial principal amount of \$35 million (the “**Purchaser Second Lien Facility**”), which shall be governed by a loan agreement in form and substance satisfactory to the Purchaser and MS (the “**Purchaser Second Lien Credit Agreement**”). The Purchaser Second Lien Facility shall be issued to MS on the Sale Closing Date in satisfaction of (a) the “rolled up” DIP loans of \$30 million⁶ (the “**Rolled-Up Loans**”), (b) all accrued and unpaid PIK interest thereon and (c) in satisfaction of First Lien Credit Agreement claims in an amount equal to the remainder, if any, of \$35 million less

⁵ The Restructuring Support Parties agree that in the event the Bankruptcy Court does not permit any “roll-up” of loans under the First Lien Credit Agreement into the DIP loans, the Purchaser shall use proceeds from the Purchaser First Lien Facility to pay MS an amount of cash equal to the principal amount outstanding under the DIP Credit Agreement (prior to giving effect to any credit bid), plus \$2 million, together with all accrued and unpaid interest thereon, including any PIK interest, and commitment fees and other amounts due MS under the DIP Credit Agreement, in each case including any interest that would have accrued on such additional \$2 million as if it has been outstanding under the DIP Credit Agreement from the Petition Date.

⁶ If the Bankruptcy Court approves the roll-up of loans under the First Lien Credit Agreement into DIP loans in an amount less than \$32 million, the defined term “Rolled-Up Loans” shall mean such lesser amount approved to roll up, less \$ 2 million.

the amounts described in the foregoing clauses (a) and (b).⁷
The Purchaser Second Lien Facility shall:

- bear interest at a rate equal to LIBOR + 6.00%, with a 1.00% LIBOR floor, which interest may be paid-in-kind by adding such interest to the principal outstanding;
 - be secured by a second lien on substantially all of the assets of the Purchaser and its subsidiaries, subject to an intercreditor agreement in form and substance satisfactory to the Purchaser and MS;
 - mature 5 years from the Sale Closing Date; and
 - have such other terms and conditions to be agreed by MS and the Purchaser and set forth on a term sheet no later than November 11, 2016 (which term sheet shall be deemed incorporated herein by reference).
- Preferred A equity with zero coupon in the face amount of \$60 million split 78% to MS and 22% to HPSD;
 - Preferred B equity with zero coupon in the face amount of \$60 million split 50% to MS and 50% to HPSD;
 - Common equity split 4.9% to MS and 95.1% to HPSD.

MS and HPS may modify this structure only to the extent such modification is in writing.

The relative lien priorities and rights of the Purchaser First Lien Facility and Purchaser Second Lien Facility shall be governed by an intercreditor agreement satisfactory to MS and the Purchaser.

The rights and obligations with respect to the preferred and common equity and the holders thereof shall be governed by a shareholders agreement in form and substance satisfactory to the Purchaser and MS (the “**Purchaser Shareholders Agreement**”). The Purchaser Shareholders Agreement shall provide, among other things, that (i) all preferred equity held by MS shall be non-voting and non-convertible, subject to anti-priming protection and be freely transferable, (ii) all common equity held by MS shall be subject to anti-dilution protections and shall be freely transferable and (iii) MS shall have approval rights in connection with changes in senior management, material asset sales, and other non-ordinary course, material transactions, and such

approval not to be unreasonably withheld. The Purchaser Shareholders Agreement shall include such other terms and conditions to be agreed by MS and the Purchaser and set forth on a term sheet no later than November 11, 2016 (which term sheet shall be deemed incorporated herein by reference). For the avoidance of doubt, the Purchaser shall be treated as a partnership for U.S. federal income tax purposes.

Covenants:

The Agreement shall contain covenants as required by the Purchaser and MS, including the following:

1. The Debtors will promptly provide the Purchaser and MS with a list of all of their assets and liabilities, including all of the Debtors' executory contracts and unexpired leases (each a "**365 Contract**" and collectively, the "**365 Contracts**") and the estimated amount to cure monetary defaults thereunder (such list may from time to time be amended or supplemented with written notice to the Purchaser and MS, the "**365 Schedule**"). The Debtors agree to update, amend, and supplement the 365 Schedule promptly upon learning of any omission or inaccuracy to such schedule, and at any time as may be reasonably requested by the Purchaser or MS. Additionally, the Debtors will file and serve the 365 Schedule and related cure amounts pursuant to the Bid Procedures.
2. The Purchaser (with the consent of MS) will provide the Debtors with a list of the 365 Contracts listed on the 365 Schedule received from the Debtors that the Purchaser (with the consent of MS) desires to be assumed by the Debtor party thereto and assigned, transferred, and conveyed to the Purchaser (and as may be modified by the Purchaser (with the consent of MS) at any time prior to the closing of the Agreement, each, a "**Desired 365 Contract**" and collectively, the "**Desired 365 Contracts**"). As promptly as practicable following the designation by the Purchaser (with the consent of MS) of any 365 Contract as a Desired 365 Contract, the Debtors shall take all necessary actions to determine the cure costs with respect to such Desired 365 Contract and serve a notice of assumption of such Desired 365 Contract on the counterparty thereto and shall otherwise take all necessary actions to effect the assumption and assignment of such Desired 365 Contract by the applicable Debtor in accordance with the title 11 of the United States Code (the "**Bankruptcy Code**") and the Bid Procedures Order, effective as of the closing of the Agreement. The Purchaser (with the consent of MS) shall have the right prior to the closing of the Agreement to remove any 365 Contract from the list of Desired 365 Contracts and, after such removal, such removed 365 Contract shall no longer be a Desired 365 Contract and the

Purchaser shall have no obligation to pay any amounts to cure defaults thereunder or take any further action with respect thereto; *provided, however*, the Purchaser (with the consent of MS) shall retain the right to add such 365 Contract as a Desired 365 Contract at any time prior to the closing under the Agreement; provided further that the designation of Designated Assets shall be governed by the deadline and terms set forth hereinabove.

3. At the closing of the Agreement, the Purchaser shall pay all agreed upon cure costs with respect to the Desired 365 Contracts in the amount listed on the 365 Schedule and the Purchaser shall provide adequate assurance of future performance of all of the Desired 365 Contracts so all Desired 365 Contracts can be assumed by the Debtors and assigned, transferred, and conveyed to the Purchaser at the closing of the Agreement in accordance with the provisions of section 365 of the Bankruptcy Code, this Term Sheet, and the Agreement. Except for the amounts listed on the 365 Schedules with respect to the Desired 365 Contracts, neither the Purchaser nor any of its subsidiaries or affiliates shall have any liability or obligation to any person for any default under or cure costs related to any 365 Contract of any Debtor existing at or prior to the closing of the Agreement. In the event that any executory contract or unexpired lease is added to the 365 Schedule in accordance with Paragraph 2 above and the Purchaser (with the consent of MS) elects to list such 365 Contract as a Desired 365 Contract, the Purchaser, in its sole discretion, will pay the cure costs associated with such additional Desired 365 Contract. In addition, in the event the Purchaser determines that any executory contract or unexpired lease exists that is not listed on the 365 Schedule on or prior to the end of the closing of the Agreement, (a) the Purchaser (with the consent of MS) shall have the right to designate any such executory contract or unexpired lease as a Desired 365 Contract, (b) the Debtors shall assume and assign such additional Desired 365 Contract to the Purchaser within twenty-three (23) calendar days thereafter by order of the Bankruptcy Court in form and substance acceptable to the Purchaser and MS in their sole discretion, and (c) the Purchaser, in its sole discretion, will pay the cure costs associated with such additional Desired 365 Contract at such time.
4. In the event that any cure cost associated with any Desired 365 Contract is found to be greater than the amount listed on the 365 Schedule, then the amount of the Purchase Price allocated to cure defaults under the Desired 365 Contracts (the “*Cure*

Amount”) shall be increased in an equivalent amount of such increase.

5. In accordance with the terms and conditions of the Restructuring Support Agreement, the Debtors will, at their sole cost and expense, file a motion in form and substance acceptable to Purchaser and the Debtors (the “*Sale Motion*”) to obtain approval of the sale of the Designated Assets and assumption and assignment of the Desired 365 Contracts pursuant to an order in form and substance acceptable to the Restructuring Support Parties and the Debtors (the “*Sale Order*”). The Debtors will use their commercially reasonable efforts to obtain the entry of the Sale Order in accordance with the deadline set forth in the Restructuring Support Agreement.
6. In addition to the Debtors’ obligations set forth in the Restructuring Support Agreement, the Debtors agree to provide the Purchaser and MS and their respective counsel with copies of all material motions, applications, supporting papers and notices prepared by any Debtor (including forms of orders and notices to interested parties) relating to the assumption and assignment of Desired 365 Contracts, or otherwise relating to the transactions contemplated by this Agreement in accordance with section 11 of the Restructuring Support Agreement.
7. If entry of the Sale Order, any orders relating to the assumption and assignment of the Desired 365 Contracts, or any other orders of the Bankruptcy Court relating to the transaction contemplated by this Agreement shall be appealed or otherwise challenged by any party (including by petition for *certiorari* or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing, or reargument), the Debtors agree to diligently oppose such appeal, challenge, petition, or motion and use all efforts to obtain an expedited resolution thereof.

Representations and Warranties:

The Agreement shall contain representations and warranties acceptable to the Purchaser, MS, and the Debtors.

Closing Conditions:

The Purchaser’s obligation to close, and an express condition to the effectiveness of, the Agreement shall be subject to conditions acceptable to the Purchaser, MS, and the Debtors, including, but not limited to: (a) entry of the Sale Order by the Bankruptcy Court approving, *inter alia*, the Agreement, the transfer of the Designated Assets free and clear of all liens, claims, and encumbrances, and the assumption and assignment of the Desired 365 Contracts; and (b) the execution of the agreements between MS and the Purchaser regarding

(i) the capitalization of the Purchaser and (ii) certain other agreements with respect to the transaction contemplated by this Agreement including the Purchaser First Lien Credit Agreement, the Purchaser Second Lien Credit Agreement and the Shareholders Agreement. The Agreement shall not contain any diligence or financing conditions and shall not be conditioned on consummation of the Plan or any other plan of reorganization.

Termination Rights:

The Agreement may be terminated by the Purchaser upon the occurrence of a Termination Event under the Restructuring Support Agreement and shall include such other termination events as agreed to by MS, the Purchasers, and the Debtors, including:

1. If the Debtors breach any agreement or covenant herein or in the Agreement, and the Debtors will have five (5) business days from the receipt written notice from the Purchaser to cure any breach of an agreement or covenant herein or in the Agreement.
2. If the Agreement has not closed on or prior to May 15, 2017, unless such date has been extended by written agreement of the Purchaser and MS in their sole and absolute discretion.
3. If any condition to closing set forth in the Agreement is incapable of being satisfied or is not satisfied on or prior to May 15, 2017, unless such date has been extended by written agreement of the Purchaser and MS in their sole and absolute discretion.
4. If the Agreement is not executed by the Debtors on or before November 18, 2016, which executed Agreement shall include a schedule of the Designated Assets (provided that such schedule may be revised as described above).
5. If the Debtors receive and consummate a higher and better cash offer for the Designated Assets.
6. By mutual written agreement of the Debtors, MS, and the Purchaser.
7. If any applicable law that makes consummation of the Agreement and the transactions contemplated thereby illegal or otherwise prohibited or if consummation of the Agreement or the transactions contemplated thereby would violate any nonappealable final order, decree, or judgment of any governmental authority having competent jurisdiction.
8. If any of the Debtors representations and warranties contained in the Agreement are not true and correct in any material

respects.

If the Agreement is terminated as permitted thereby, such termination shall be without liability of the Purchaser (or any stockholder, representative, or affiliate of the Purchaser) to the Debtors.

Expenses:

The Debtors will pay all reasonable fees, costs, and expenses (including reasonable attorneys' fees) incurred by the Purchaser in the negotiation, preparation, and drafting of the Agreement and any documents in connection therewith under the terms set forth in the Restructuring Support Agreement.

Assignment:

The Purchaser may assign the Purchaser's rights and interests in this Term Sheet, the Agreement, and all documents referenced herein or therein without the Debtors' consent to any controlled affiliated entity of HB Parent or any entity controlled by or under common control with HB Parent, and, upon any such assignment, the Purchaser shall be released from all liability hereunder and thereunder and the assignee shall be deemed the Purchaser provided that such assignee first agrees in writing to be bound by the terms of this Term Sheet, the Agreement, and all documents referenced herein or therein.
